

February 16-22, 2003

# National Engineers' Week

at the

## United States Naval Academy

### Schedule of Events:

### Saturday, 29 March 2003

Location: Rickover Hall, 1<sup>st</sup> floor and Lab Deck

**Competitions:** There will be four separate engineering design competitions at the USNA this year: paper airplane, bridge, electric boat and mousetrap car. Schedules are given below for your convenience in planning your activities. Please be sure to be prompt and follow all of the competition rules as well as the instructions provided by the judges and midshipmen assistants. All judges' decisions are final.

**NOTE:** The four competitions have various starting and ending times, with many portions running simultaneously. There will be ample opportunity for each team to participate in each event. Be sure to perform your bridge weigh-in and testing as soon as your schedule allows.

Be sure to visit the static displays and demonstration tables located on the Lab Deck, representing a variety of engineering disciplines. Refreshments will be available outside of Rickover 102 throughout the competitions. The guest speaker at the Awards Ceremony will be the Director of the USNA Division of Engineering and Weapons, CAPT Rau (USN).

#### *Scheduled Events*

Time	Event	Location
0800-0830	Registration	Rickover Lobby (1 <sup>st</sup> floor)
0830-0845	Opening Address	Rickover 103
0845-0900	Plane Competition <b>Construction</b>	Rickover 102
0900-1045	Plane Competition <b>Testing</b>	
0845-1030	Bridge Competition: <b>Weigh-in</b>	Rickover 21 (Lab Deck)
0900-1130	Bridge Competition: <b>Testing</b>	Rickover 23 (Lab Deck)
0930-1130	Mousetrap Car Competition	Rickover Crossover Hallway (between RI26 and RI54)
1030-1130	Boat Competition	Rickover 48
1130-1200	Awards Ceremony	Rickover 103
