

CBRNE LEARNING OBJECTIVES

1. Define what is meant by CBRNE and give examples of such agents, hazards, and risks.
2. Describe how CBRNE agents can be used in the Global War on Terrorism (GWOT) by terrorists or combatants.
3. Describe indicators, signs, and symptoms of exposure to CBRNE agents or events.
4. Describe self-protection and decontamination measures for CBRNE events.
5. Describe how CBRNE events will impact your career in the Navy or Marine Corps.
