

2007 Summary of Research Reports

Professor Christine L. Copper
Chemistry Department
ccopper@usna.edu
<http://www.chemistry.usna.edu/copper/copper.html>

Project: Simple and rapid extraction, separation and detection of alkaloids in beverages

Sponsor: Naval Research Laboratory (NRL)

Report: [Copper Chemistry 2007ResearchReport_NRL1.pdf](#) (journal article)

Project: Microchip micellar electrokinetic chromatography separation of alkaloids
with UV-absorbance spectral detection

Sponsor: Naval Research Laboratory (NRL)

Report: [Copper Chemistry 2007ResearchReport_NRL2.pdf](#) (journal article)
