

2007 Summary of Research Reports

Professor Angela L. Moran

Mechanical Engineering Department

amoran@usna.edu

http://www.usna.edu/MechEngDept/Faculty%20Profiles/Moran_Angela.htm

Project: Deposition Routes for the Development of Multi-functional Coatings
for Naval Application via Nano-engineering Methods

Sponsor: Office of Naval Research

Report: [MoranA_MechanicalEngineering_2007ResearchReport_ONR.pdf](#)
