USNA NOTICE 1560

From: Superintendent

Subj: VOLUNTARY GRADUATE EDUCATION PROGRAM (VGEP) FOR THE CLASSES OF 2010 AND 2012

Ref: (a) USNAINST 1560.3E
(b) USNAINST 1520.2Y

Encl: (1) Summary of Significant Dates
(2) Naval Academy VGEP Advisers

1. Purpose. To publish application and selection procedures for the Voluntary Graduate Education Program (VGEP) for the Class of 2010, to announce briefings on the goals and objectives of VGEP for interested midshipmen of the Classes of 2010 and 2012, to provide timelines for program procedures, and to name VGEP Advisers for specific graduate disciplines and Navy subspecialty codes. The Class of 2011 will be briefed on VGEP in academic year 2009-2010. VGEP briefings are given to midshipmen second class and fourth class each year. The briefing to fourth class is to advise on accelerating undergraduate programs to create room in academic schedules for starting graduate classes in their senior year. The briefing to second class is to prepare for the VGEP application process. Reference (a) describes VGEP policies and eligibility requirements. For information on other midshipman graduate education programs, see reference (b).

2. Information

a. The Chair of the Graduate Education Committee (GEC) is Captain Robert J. Brennan, USN, Director of the Division of Mathematics and Science. The VGEP Program Adviser and Administrator is Ms. Marjorie Roxburgh, Graduate Education Program Manager, Michelson Hall 384, X36334. Enclosure (1) gives action dates for the Classes of 2010 and 2012. Enclosure (2) lists faculty VGEP Advisers. Midshipmen work with the VGEP Adviser corresponding to their proposed graduate discipline.

b. Midshipmen are selected to participate in VGEP based on their qualifications and written application, on the recommendations of the corresponding VGEP Adviser, Department Chair, and Commandant of Midshipmen, and on the approval of the GEC, the Academic Dean and Provost, and the Superintendent. The GEC prioritizes recommendations for qualified VGEP candidates based on the midshipmen's overall order of merit from the Registrar's office. Applicants must be acceptable to their respective graduate schools. The students' graduate education programs must be consistent with their anticipated service specialties. Proposed education plans must meet Navy subspecialty requirements. The quota for VGEP is 20, contingent on the availability of funding. The number of underclassmen who volunteer to carry a course overload during third class and second class years to qualify for VGEP is unrestricted. Foreign national midshipmen are not eligible for participation in VGEP but they may apply to do a VGEP-similar program with the written consent of their government, consistent with reference (a).

c. Academic advisers and Department Chairs must certify that the applicants may reasonably be expected to complete Naval Academy undergraduate requirements while starting graduate studies in the final semester of their senior year. VGEP curricula must lead to a master's degree within seven months after graduation from the Naval Academy.

d. Approved Class of 2010 VGEP selectees will participate in service selection procedures in first class year, including selection of specific ship assignments. The Commandant of Midshipmen will make certain that ship assignments for surface officers and class starting dates for aviation training, nuclear power training, or the Marine Corps Basic School, Quantico, agree with predicted completion dates of the VGEP students' graduate programs. Warfare community needs or a shortage of VGEP funds may prevent completion of a master's degree program before the first service duty assignment. Participation in VGEP beyond graduation from the Naval Academy will be based on satisfactory course grades in work completed before that date. Upon commissioning, the Class of 2010 VGEP officers will be assigned to Naval Academy academic departments corresponding to their respective graduate discipline. The Class of 2010 VGEP officers must detach from the Naval Academy by 15 January 2011, consistent with reference (a).

e. VGEP application and endorsement formats are posted on the electronic Graduate Education Programs blackboard on the USNA Home Page. Only the original of each application and accompanying endorsements are required by the GEC, but VGEP applicants should keep a copy of their application and proposed education plan.

3. Briefings

a. The VGEP briefing for interested Class of 2010 midshipmen will be on Tuesday, 2 December 2008, at 1915, in Rickover 102. The Graduate Education Program Manager will discuss this year's program and the application process.

b. On Thursday, 29 January 2009, at 1915 in Rickover 102, the Graduate Education Program Manager will brief interested midshipmen of the Class of 2012 on the goals and objectives of VGEP. Information will be given on preparing for VGEP and on selection of graduate disciplines and universities. The Program Manager will give an overview of other graduate education programs open to midshipmen in their senior year.

4. Action. All midshipmen, faculty, and staff concerned with VGEP should follow procedures outlined in reference (a). The following additional actions are required:

a. Class of 2010 Interested Midshipmen

(1) Get the approval and assistance of your VGEP Adviser before communicating with any graduate school concerning VGEP. Work with the VGEP Adviser and the graduate university to develop a proposed education plan that is consistent with your anticipated service selection and that will satisfy requirements for a master's degree and a Navy subspecialty code. List current costs of tuition, fees, and laboratory expenses, broken down by semester. Complete an Obligated Service Agreement and attach it to your application. Complete a Privacy Act waiver for record in the Graduate Education Office, permitting the Naval Academy to hold grade transcripts and statements of academic progress from your graduate school. Give your completed application and attachments to your VGEP Adviser by Tuesday, 27 January 2009.

(2) Midshipmen requiring a waiver for below eligibility grades in Aptitude for Commission or Conduct must submit a separate letter to the Commandant of Midshipmen, via their Company Officer and Battalion Officer, requesting a waiver of their grades to allow them to be considered for VGEP. Without the Commandant's approval of a waiver, midshipmen who are below eligibility in either area will not be considered for VGEP. Waiver request letters are due to Company Officers by Tuesday, 10 February 2009.

(3) Take the General GRE in the spring semester of your second class year, if required by your university for your discipline. The General GRE is computer-based and is given year-round at computer-based testing centers. The Naval Academy does not administer the General GRE. Subject GRE's are paper-based and are given at the Naval Academy. Register for either the General GRE or a Subject GRE online at www.gre.org. Before registering for a Subject GRE, check with your university to make

sure that a Subject GRE is required. You may get GRE information booklets from Professor Mark Campbell in the Chemistry Department, Michelson Hall 183, X36619, or from the Graduate Education Program Manager in Michelson Hall 384.

b. Approved VGEP Scholars

(1) Apply for admission to graduate universities in time to meet university admission deadlines. Students are responsible for gaining admission and for paying the admissions fees.

(2) Send your education plan to the Naval Postgraduate School for subspecialty screening, with copy to the Graduate Education Program Manager and to VGEP Advisers, by Friday, 30 October 2009. Get guidance on preparing your letters from the Program Manager.

(3) Complete a VGEP check-in sheet for the Graduate Education Program Manager before departing on leave prior to commissioning. Make sure that the Program Manager has your address, phone number, and e-mail address where you can be reached following commissioning. VGEP Scholars may bring their VGEP check-in sheet to the Graduate Education Office in Michelson Hall 384 or send their check-in sheet electronically to the Program Manager.

(4) Give an official graduate school transcript to the Graduate Education Program Manager at the end of each academic term, including the summer term, and a final graduate transcript with master's degree posted at the end of your master's degree program.

c. VGEP Advisers. Assist interested midshipmen completing VGEP applications and proposed education plans. Coordinate subspecialty code requirements with Naval Postgraduate School curricular officers and with subspecialty primary consultants. Endorse midshipmen's VGEP applications and give them to Department Chairs by Tuesday, 3 February 2009. Consider the stringent academic and military performance requirements for VGEP when writing your recommendations. Do not recommend midshipmen whose capability or motivation appears questionable. Make sure that approved VGEP midshipmen prepare graduate school applications in time to meet university deadlines.

d. Department Chairs. Prepare a second endorsement to each Class of 2010 VGEP application. Give the application and endorsements to the appropriate Company Officer by Tuesday, 10 February 2009. Review the preliminary screening done by VGEP Advisers to make sure that only fully qualified candidates with unquestionable merit are recommended for approval as VGEP Scholars.

e. Commandant of Midshipmen

(1) Company Officers receive Class of 2010 VGEP applications and endorsements from Department Chairs by Tuesday, 10 February 2009. Company Officers print out midshipman performance sheets and complete a third endorsement. Give the applications and performance sheets to the appropriate Battalion Officer by Tuesday, 17 February 2009. Battalion Officers complete a fourth endorsement and give applications, performance sheets, and endorsements to the Deputy Commandant by Tuesday, 24 February 2009. Deputy Commandant collect VGEP applications, performance sheets, and endorsements and forward all to the Graduate Education Program Manager, Michelson Hall 384, by Tuesday, 3 March 2009.

(2) Company Officers receive waiver request letters from midshipmen for grade deficiencies in Aptitude for Commission and Conduct by Tuesday, 10 February 2009. Company Officers endorse and give waiver request letters to Battalion Officers by Tuesday, 17 February 2009. Battalion Officers endorse and give waiver request letters to the Commandant's Aptitude Officer by Tuesday, 24 February 2009. Aptitude Officer review records of midshipmen requesting waivers for deficient grades in Aptitude for Commission and Conduct, and by Tuesday, 3 March 2009, give waiver request letters and endorsements to the Commandant for decision on granting waivers. Commandant rule on midshipmen requesting waivers for below eligibility grades in Aptitude for Commission and Conduct. Aptitude Officer

forward the Commandant's rulings to the Graduate Education Program Manager for the Chair, GEC by Tuesday, 10 March 2009.

(3) Midshipman Personnel Officer work with BUPERS detailers to get orders for Class of 2010 VGEP Scholars commissioned in the Navy. Orders will assign the VGEP officers to the Naval Academy until their completion of their master's degree program or 15 January 2011, whichever occurs earlier. Marine Corps officers in VGEP are assigned administratively to the Marine Barracks at 8th & I in Washington, D.C., through military orders prepared by Headquarters, U.S. Marine Corps in Quantico, VA. Marine Corps officers in VGEP also are assigned to academic departments at the Naval Academy for VGEP oversight.

f. Academic Dean and Provost. Publish ACDEANNOTE 1560 listing Class of 2010 midshipmen approved as VGEP Scholars. Distribute the notice by Tuesday, 12 May 2009.

g. Graduate Education Program Manager. Receive Class of 2010 VGEP applications and endorsements from the Deputy Commandant. Receive the Commandant's waiver rulings for the Chair, GEC. Prepare reports by 31 March 2009 for the GEC's screening of applications and overall order of merit rankings of applicants. Participate in the GEC meeting to screen Class of 2010 VGEP applicants. Prepare GEC recommendations to the Superintendent for signature of the Chair, GEC. Prepare ACDEANNOTE 1560 naming approved Class of 2010 VGEP Scholars for review by the Chair, GEC, and signature of the Academic Dean and Provost.

h. Graduate Education Committee. Screen Class of 2010 VGEP applications and overall order of merit rankings of applicants, provided by the Graduate Education Program Manager, by 10 April 2009. By Tuesday, 28 April 2009, forward Class of 2010 VGEP Scholar recommendations to the Superintendent for approval, via the Commandant of Midshipmen and the Academic Dean and Provost.

i. Registrar. Provide transcripts of undergraduate grades to Class of 2010 VGEP applicants, as requested.

j. Class of 2012 Interested Midshipmen. Notify your faculty adviser by March 2009 of your desire to prepare for VGEP by course overloading and/or voluntary summer school. Make sure that your faculty adviser approves your request to overload at registration for the fall semester of Academic Year 2009-2010.

SUMMARY OF SIGNIFICANT DATES

<u>Date</u>	<u>Action for Class of 2010</u>
2 Dec 08 Tue	- Briefing on VGEP procedures to interested midshipmen of the Class of 2010. (1915, Rickover 102)
3 Dec 08 Wed	- Class of 2010 contact VGEP Advisers to begin application for VGEP.
12 Jan 09 Mon	- Midshipman memos due to Graduate Education Program Manager. (Michelson Hall 384)
27 Jan 09 Tue	- VGEP applications completed and given to VGEP Advisers.
3 Feb 09 Tue	- VGEP Advisers forward Class of 2010 VGEP applications and endorsements to Department Chairs.
10 Feb 09 Tue	- Department Chairs forward Class of 2010 VGEP applications and endorsements to Company Officers. - Midshipmen complete Aptitude for Commission and Conduct grade waiver request letters addressed to the Commandant and give to Company Officers for endorsement.
17 Feb 09 Tue	- Company Officers forward Class of 2010 VGEP applications, endorsements, and performance sheets to Battalion Officers. - Company Officers endorse and forward Class of 2010 waiver request letters to Battalion Officers.
24 Feb 09 Tue	- Battalion Officers forward Class of 2010 VGEP applications, endorsements, and performance sheets to Deputy Commandant for central collection. - Battalion Officers endorse and forward Class of 2010 waiver request letters to the Commandant's Aptitude Officer for collection and for record review.
3 Mar 09 Tue	- Deputy Commandant forwards Class of 2010 VGEP applications, endorsements, and performance sheets to Graduate Education Program Manager. - Aptitude Officer gives waiver request letters and endorsements to Commandant for review on granting waivers.
10 Mar 09 Tue	- Aptitude Officer gives Commandant's waiver decisions to Graduate Education Program Manager for the Chair, GEC.
14-22 Mar 09	- Spring Break.
31 Mar 09 Tue	- Graduate Education Program Manager gives reports to GEC for reviewing Class of 2010 VGEP applications and overall order of merit rankings of applicants.
6-10 Apr 09	- GEC reviews reports and recommends Class of 2010 VGEP Scholars.
28 Apr 09 Tue	- Chair GEC submits recommendation list of Class of 2010 VGEP Scholars to Superintendent for approval, via Commandant of Midshipmen and Academic Dean and Provost.

- 5 May 09 Tue - Graduate Education Program Manager prepares list of approved Class of 2010 VGEP Scholars in ACDEANNOTE 1560 for signature of Academic Dean and Provost.
 - 12 May 09 Tue - ACDEANNOTE 1560 distributed, announcing Class of 2010 VGEP Scholars.
 - Sep 09 *** - Class of 2010 VGEP Scholars complete graduate university admissions applications for spring semester Academic Year 2009-2010.
 (Note: *** = approximate date)
 - 30 Oct 09 Fri - Class of 2010 VGEP Scholars send their education plans to the Naval Postgraduate School for subspecialty review, with copy to Graduate Education Program Manager and VGEP Adviser.
 - Jan 10 *** - Class of 2010 VGEP Scholars begin spring semester graduate classes.
 - May 10 *** - Class of 2010 graduates from USNA.
 - Jun 10 *** - Class of 2010 VGEP Scholars begin summer session graduate classes. Spring 2010 transcripts due to Graduate Education Program Manager.
 - Sep 10 *** - Class of 2010 VGEP Scholars begin fall semester graduate classes. Summer 2010 transcripts due to Graduate Education Program Manager.
 - 31 Dec 10 *** - Class of 2010 VGEP Scholars complete VGEP programs.
 - 15 Jan 11 *** - Cutoff date for VGEP participation. Class of 2010 VGEP officers execute first PCS orders. Final graduate transcripts due to Program Manager.
 - 30 Jan 11 *** - Detachment Officer Fitness Reports to BUPERS or HQMC prepared.
- Date Action for Class of 2012
- 29 Jan 09 Thu - Briefing to interested midshipmen of the Class of 2012 on VGEP objectives and procedures. (1915, Rickover 102)
 - Mar 09 *** - Interested midshipmen of the Class of 2012 notify their faculty adviser of their desire to prepare for VGEP by course overloading and/or voluntary summer school.
