**GENERAL UNIFORM REQUIREMENTS**

**1101. OUTFIT**

1. The USNA Midshipmen's Store and the Uniform Store will issue Midshipmen the bulk to their initial outfit of uniforms during 4/C year. The cost of the uniforms and uniform items will be charged against each Midshipman's pay account.
2. All uniforms requiring proper fit will be inspected by the Company Officer or their representative before final acceptance of the original outfit by Midshipmen. Uniform articles will not be marked or stenciled before this inspection. The Uniform Store will not exchange marked or stenciled uniforms.
3. Various mandatory issues of uniforms will be conducted for Midshipmen throughout their four years to ensure a sharpness of uniform appearance is maintained.

**1102. REPLACEMENT AND MAINTENANCE OF UNIFORMS**

1. Midshipmen shall purchase all uniform articles from the USNA Uniform Store or Midshipmen's Store. When access to the stores is unavailable (e.g., summer training), Midshipmen are authorized to purchase uniform items from an authorized U.S. Navy vendor.
2. Unit Commanders and/or Company Officers/Senior Enlisted Leaders shall inspect uniforms of the Midshipmen in their companies for fit, quantity, condition, and legibility of markings. Uniforms that are excessively worn shall be replaced. Repairing, striping, or altering uniforms will be done by the Midshipmen Tailor Shop or a specified contracted vendor. A Midshipman may utilize an alternative U.S. Navy authorized tailor with Company Officer or SEL approval.

**1103. DISPOSAL OF UNIFORMS**

1. Exchange of uniforms between Midshipmen either by trade or sale is prohibited unless special request approval is obtained from the Company Officer and Repair Tailor Shop.
2. All involuntarily separated Midshipmen should turn in all items of military clothing to their SEL as part of their check out procedures, or as otherwise directed by MIDPERS.

**1104. REMOVAL OF INSIGNIA**

1. Sewn-on insignia will be replaced every year by the Midshipmen Tailor Shop. Midshipmen are required to turn in their uniforms for service.

**1106. UNIFORM REGULATIONS VERBIAGE**

1. Conspicuous. Items that are obvious to the eye, attracting attention, striking, bright in color. Should blend with (not stand out from) a professional appearance in uniform. What is conspicuous on one person may not be noticeable on another. If attention is naturally drawn to or distracted from the professional appearance, it is conspicuous.

2. Conservative. Not conspicuous or detracting from the professional appearance while in uniform.

3. Faddish. A style followed for a short period of time with exaggerated zeal. Styles are enduring; fads are generally short in duration and frequently started by an individual or event in the civilian community. Fads are generally conspicuous and detract from a professional appearance.

4. Complimentary to Skin Tone. A conservative color which contributes to the wearer's natural skin tone. Conservative colors are generally inconspicuous and do not detract from a professional appearance in uniform.

**1107. WEARING OF UNIFORMS**

1. Outside of Bancroft Hall. Anytime Midshipmen are outside of Bancroft Hall, they shall be in an appropriate uniform that is in compliance with this instruction and reference (a). An appropriate uniform is defined as:

d. Blue and Gold Jogging Suit.

e. Regulation Physical Education (PE) Gear as described in Chapter 2 of this instruction. All Regulation PE Gear clothing items shall be in good repair. Discolored or torn items shall not be worn. Issued grey USNA sweatshirts and sweatpants may be worn independently.

f. Varsity and club sport athletic gear.

(1) Issued Team athletic gear may be worn during team practices or competition. When appropriate, Midshipmen shall transit to and from Bancroft Hall in uniform and change into their athletic gear in the team locker room.

(2) For teams whose practice involves activities on or off the Yard, the Coach, Officer Representative (O-Rep), and Team Captain are responsible for ensuring that all team members are wearing the O-Rep approved practice uniform and everyone is uniform in appearance.

g. USNA Golf Course

(1) Midshipmen are authorized to wear Midshipmen Casual as described in Chapter 2 for recreational golfing at the USNA Golf Course during non-liberty hours. Appropriate civilian attire (for 1/C and 2/C only) is authorized when on town liberty (during weekend only) or on weekend liberty.

(2) Uniforms for use by the Golf Team during sanctioned competitions and practices will be specified by the golf coach and approved by the O-REP.

2. Inside of Bancroft Hall. Midshipmen shall be in an appropriate uniform in compliance with this instruction and reference (a).

a. Midshipmen in the following areas will be in the Uniform of the Day or Working Uniform at all times unless otherwise indicated:

4. General Regulations

a. Midshipmen in athletic uniforms will always remain clear of the center of the Yard (to include in front of the Chapel, in front of the Superintendent's residence, in front of the Administrative Building, and other areas visible from Stribling Walk), Porter Road, Fullam Court, and in front of the Officers and Faculty Club and Leahy Hall.

b. Platoon or larger sized units may authorize temporary modifications to regulation PE gear for physical training outside of Bancroft Hall (e.g., Companies may conduct Saturday Morning Physical Training evolutions in NWU Trousers, Blue Undershirt and Combat Boots. The Unit Commander must approve the uniform modification in advance of the evolution.)

**1108. MIDSHIPMEN UNIFORM ADVISORY COMMITTEE**

1. The Commandant charged the Midshipmen Uniform Board to continually review Midshipmen uniform matters and use the following specific qualitative factors, applicable to all uniforms, to evaluate suitability of current uniforms and those proposed for replacement.

Recommendations from the committee will be forwarded to the Commandant of Midshipmen via the Officer Advisor for final approval. Once approved, changes will be promulgated via e-mail to the Brigade and entered in the next revision of this instruction.

## CHAPTER 2

### DESCRIPTION OF UNIFORMS

#### 2100. TYPES OF UNIFORMS

1. General. Midshipmen Uniform Regulations are a reflection of U.S. Navy Uniform Regulations NAVPERS 15665 and are intended to train Midshipmen to properly wear and understand uniform requirements upon graduation. Midshipmen are required to follow the uniform guidelines outlined below. For any uniform that is not covered in Midshipmen Uniform Regulations, a Midshipman will adhere to U.S. Navy Regulations.

2. Categories of Uniform. When making official reference to categories of uniforms or requirements for wear, the terms set forth in these regulations shall be used.

a. Dinner Dress (Formal Dress). Dinner Dress is the most formal category of uniforms. They are the equivalent of civilian "black-tie."

b. Service Dress Uniforms. Service dress uniforms are worn for official functions that do not warrant dinner dress uniforms. They are the equivalent to a civilian business suit.

c. Service Uniforms. Service uniforms are the Navy's daily wear uniforms. They are intended for everyday wear to class and watch.

d. Working Uniforms. Working uniforms are worn when other uniforms may become unduly soiled or are otherwise inappropriate for a task.

e. Plebe Summer Uniforms. Plebe Summer uniforms are authorized only for wear during Plebe Summer per guidance from OIC of Plebe Summer.

3. Standard Phraseology for Uniforms. When making official references to the uniforms, insignia, and grooming standards in any official publication, the terms set forth in these regulations shall be used.

a. Required Items (Basic Uniform Components). Uniform items required as part of the basic uniform. These are the minimum items which must be worn unless the prescribing authority directs otherwise.

b. Prescribable Items. Uniform items which may be directed or authorized to wear with the basic uniform. Prescribable items may be worn with the basic uniform at the individual or unit commander's discretion unless otherwise directed.

c. Optional Items. Uniform items purchased at the wearer's expense, which may be worn with the basic uniform, but which are not prescribable. Optional items may be worn with basic uniform at the individual's discretion unless otherwise directed.

14 Jun 11

4. Uniform of the Day. The Uniform of the Day or the Working Uniform is the prescribed dress and will be worn at all times outside of Bancroft Hall unless specifically dictated otherwise in this instruction, reference (a), the POD or by notice. Midshipmen may relax their uniform only when in their own rooms.

a. Manner of Wearing. Wear up to three ribbons in a single row. When more than three ribbons are authorized, wear them in horizontal rows of three each. If ribbons are not in multiples of three, the top row contains the lesser number, and the center of this row sits over the center of the one below it. Wear ribbons without spaces between ribbons or rows of ribbons. Wear ribbons with the lower edge of the bottom row centered 1/4 inch above the left breast pocket and parallel to the deck. To prevent coat lapels from covering ribbons, ribbons may be aligned so the border to wearer's left is aligned with left side of pocket. Rows of ribbons where more than 50% of the ribbon is covered by the coat lapel may contain two ribbons each and be aligned with left border.

(1) Placement on Ribbon Bar. Ribbons shall be arranged on a bar(s) and attached to uniforms. Ribbons shall not be impregnated with

preservatives which change their appearance, or have any transparent covering.

(2) Arrangement. Arrange ribbons in order of precedence in rows from top down, inboard to outboard. Wear all ribbons if you have earned three or more.

Wear either the senior ribbon or all ribbons. Personnel awarded only ribbons that do not have corresponding large medals shall wear the ribbons on the right side as mentioned above.

b. Correct Uniform. Do not wear ribbons on uniforms requiring miniature medals.

## 3. Large Medals

a. Manner of Wearing. Large medals are worn on the service coat or jumper of Full Dress Blues and Full Dress White. When wearing more than one medal, suspend them from a holding bar that supports the medal's weight. Place the holding bar of the lowest row of medals in the same position as the lowest ribbon bar. The bar measures 4-1/8 inches wide, and each row of medals is 3-1/4 inches long from top of the suspension ribbons to bottom of medals, so that bottom of medals dress in a horizontal line. Multiple rows of medals should be grouped with the same number of medals in each row, with the lesser number in the top row if necessary. A maximum of three medals may be worn side by side in a single row with no overlap. Arrange four or more medals (maximum of five in a single row) following the layout in Table 3-1. Overlapping shall be proportional and the inboard medal shall be shown in full. Mount the medals so they cover the suspension ribbons of the medals below.

b. Arrangement. Arrange medals in order of precedence in rows from top down, inboard to outboard, within rows. Service members possessing more than five medals may either wear the five senior medals or all of them.

c. Polishing Medals. Plating or polishing medals is prohibited.

d. Medals with Breast Insignia. When wearing large medals with breast insignia, comply with Section 2 and Table 3-1 of this chapter.

## 4. Miniature Medals

a. Manner of Wearing. Wear miniature medals with all formal dress uniforms and dinner dress uniforms. Each row of miniatures is 2-1/4 inches

long, from top of the suspension ribbons to bottom of medals, so the bottom of medals dress in a horizontal line. Position medals so they cover the suspension ribbons of the medals in the rows below. Male midshipmen on formal and dinner dress jackets, place the holding bar of the lowest row of miniature medals 3 inches below the notch, centered on the lapel, parallel to the deck. On blue and white service coats, center the holding bar 1/4 inch above the left breast pocket parallel to the deck. Female midshipmen on formal dress or dinner dress jackets, place the holding bar in the same relative position as on the men's dinner dress jackets, down 1/3 the distance between the shoulder seam and coat hem. On blue and white coats, center the holding bar 1/4 inch above the left pocket flap parallel to the deck.

b. Arrangement. Wear up to five miniature medals in a row with no overlap. Arrange six or more miniature medals following the layout in Table 3-1. Arrange medals in order of precedence in rows from top down, inboard to outboard, within rows. Service members possessing five or more medals may either wear the five senior medals or all of them. On the dinner dress jacket, center up to three miniature medals on the lapel. Position four or more miniatures starting at the inner edge of the lapel extending beyond the lapel on to the body of the jacket.

CHAPTER 5

GROOMING STANDARDS

5101. GENERAL INFORMATION

1. General. The primary consideration is to have a neatly groomed appearance while wearing Naval uniforms. Grooming standards are based on several elements including neatness, cleanliness, safety, military image, and appearance. The standards established are not intended to be overly restrictive nor are they designed to isolate Midshipmen from society. The limits set forth are reasonable, enforceable, and ensure the personal appearance contributes to a favorable military image. The difference between men's and women's grooming policies recognizes the difference between the sexes; sideburns for men, different hairstyles and cosmetics for women. Establishing identical grooming and personal appearance standards for men and women would not be in the Naval Academy and Navy's best interests and is not a factor in the assurance of equal opportunity.

2. Smartness

a. Image. Midshipmen must set and maintain high standards of smartness in uniform appearance. The military image reflected by attention to detail, while wearing the uniform, is a key element in the public image of the U.S. Naval Academy and the U.S. Navy.

b. Cleanliness. Uniforms shall be kept scrupulously clean, with laces, devices, insignia and belt buckles bright and free from tarnish and corrosion.

c. Articles. NO ARTICLES SHALL PROTRUDE FROM OR BE VISIBLE ON THE UNIFORM, including such items as pencils, pens, watch chains, key chain fobs, pins, jewelry, combs, large wallets, cigars, cigarettes, pipes, or similar items (ID Cards, Jewelry, tie clasps, cuff links, shirt studs and earrings shall be worn as prescribed elsewhere in these regulations. No communication devices are authorized for wear on the uniform.

(1) Identification Cards will be attached to left breast pocket at all times when inside Bancroft Hall. Lanyards are not authorized for wear. Midshipmen shall remove identification cards when outside of Bancroft Hall for security reasons.

(2) Civilian bags (e.g., computer bags/briefcases, gym bags, garment bags, etc., this does not include women's handbags/purses) may be worn with working and service uniforms as prescribed in the manner below:

(a) Backpacks may be worn over both shoulders or hand carried in the left hand to facilitate saluting while wearing Service Khaki, Summer Working and Winter Working Blue Uniforms. Midshipmen are authorized to wear backpacks with Reefers when worn over Winter Working

Blue. Backpacks must be solid black in color. The matching NWU pattern backpack is the only authorized backpack for wear with the NWU. No personal ornamentation shall be attached on or to the backpack. Midshipmen are authorized to carry one water bottle or sports drink in the side pocket of the backpack and a white towel attached to the outside of the bag for physical education class.

(b) Computer bag and brief case; may be worn across the left shoulder of service and working uniforms to facilitate saluting. When wearing a bag, the strap may be worn across the left shoulder (fore and aft) with the bag hanging on the same side of the body. The case or bag will not be worn with the strap and bag on opposite sides of the body (diagonally). This also applies to Blue & Gold jogging suits, team warm-ups, and PE gear.

(c) All bags/brief cases worn with the uniform must conceal its content and be either solid black or navy blue in color. The only exception is team issued sports bags. There shall be no personal ornamentation attached on or to the bag/brief case.

(d) While in dress uniform (e.g., Service Dress Blues), civilian bags will be hand carried only.

(e) Sea bags may be worn with all uniforms with the exception of Ceremonial or Dinner Dress Uniforms.

d. Glasses

(1) Prescription Glasses. No eccentric or faddish glasses are permitted.

(2) Sunglasses. Conservative sunglasses are permitted, except in military formations. Frames must be black. The lenses cannot be mirrored or multi-colored. Glasses will not interfere with proper wear of military headgear. Oversize sunglasses that cover significant portions of the face are not authorized.

(3) Contact Lenses. Tinted contact lenses must be a natural color (blue, green, brown, etc).

e. Undergarments. Appropriate undergarments shall be worn to preserve the dignity and appearance of the uniform.

f. Tailoring of Uniforms. Uniforms may be tailored to provide a well-fitting, professional military bearing. They shall not be altered to the extent of detracting from the military appearance, nor shall they be tailored to the point of presenting a tight form fit.

3. Care of the Uniform. The longest service of the various uniform articles can be attained only by proper care and maintenance. This information is presented to help prolong the useful life and distinguished appearance of uniforms and equipment. Even new, properly fitted uniforms will not continue to look their best or keep their

14 Jun 11

shape unless they are cared for properly. Carrying large or heavy objects in pockets will destroy the shape of the best uniform. Uniforms shall be stored on hangers. If uniforms are to be stored for a long time, they should be cleaned thoroughly, then packed away in an airtight plastic bag with a packet of desiccant (drying agent) for maximum preservation.

5102. PERSONAL APPEARANCE

1. Personal appearance. Because it is impossible to provide examples of every appropriate or unacceptable hairstyle or of "conservative" or "eccentric" grooming and personal appearance, the good judgment of leaders at all levels is key to enforcement of Naval Academy grooming policy. Therefore, hair/grooming/personal appearance while in uniform shall present a neat, professional appearance.

2. Hair

a. Men. Keep hair, neat, clean, and well groomed. Hair above the ears and around the neck shall be tapered from the lower hairline upwards at least 3/4 inch and outward not greater than 3/4 inch to blend with hair style. Hair on the back of the neck must not touch the collar. Hair shall be no longer than four inches and may not touch the ears, collar, extend below eyebrows when headgear is removed, show under front edge of headgear, or interfere with properly wearing military headgear. The bulk of the hair shall not exceed approximately two inches. Bulk is defined as the distance that the mass of hair protrudes from the scalp. Hair coloring must look natural and complement the individual. Faddish styles and outrageous multicolored hair are not authorized. The unique quality and texture of curled, kinked, waved, and straight hair are recognized, and in some cases the 3/4 inch taper at the back of the neck may be difficult to attain. In those cases hair must present a graduated appearance and may combine the taper with a line at the back of the neck. One natural, narrow, fore and aft part is authorized. Varying hairstyles, including Afro, are permitted if these styles meet the criteria of maximum length and bulk, tapered neck and sides, and do not interfere with properly wearing military headgear. Plaited or braided hair is not authorized. Keep sideburns neatly trimmed and tailored in the same manner as the haircut. Sideburns shall not extend below a point level with the middle of the ear, shall be even width (not flared) and shall end with a clean-shaven horizontal line. Figure 5-1 refers. "Muttonchops," blocked haircuts, and rounded or square back haircuts are not authorized.

( \_\_\_\_\_ INDICATES SCALP LINE) Sideburns shall not extend below a point level with the middle of the ear, as indicated by line "A".

Figure 5-1

b. Women. Hairstyles shall not be outrageously multicolored or faddish, to include shaved portions of the scalp (other than the neckline), or have designs cut or braided into the hair. Hair coloring must look natural and complement the individual. Haircuts and styles shall present a balanced appearance. Lopsided and extremely asymmetrical styles are not authorized. Ponytails, pigtails, widely spaced individual hanging locks, and braids which protrude from the head, are not authorized with the exception of ponytails which are authorized in Physical Education Gear and Blue and Gold Jogging Suits. Multiple braids are authorized. Braided hairstyles shall be conservative and conform to the guidelines listed herein. When a hairstyle of multiple braids is worn, braids shall be of uniform dimension, small in diameter (approx. 1/4 inch), and tightly interwoven to present a neat, professional, well-groomed appearance. Foreign material (e.g., beads, decorative items) shall not be braided into the hair. Short hair may be braided in symmetrical fore and aft rows (corn rowing) which minimize scalp exposure. Corn row ends shall not protrude from the head, and shall be secured only with inconspicuous rubber bands that match the color of the hair. Appropriateness of a hairstyle shall also be judged by its appearance when headgear is worn. All headgear shall fit snugly and comfortably around the largest part of the head without distortion or excessive gaps. Hair shall not show from under the front of the brim of the combination hat, garrison, or ball caps. Hairstyles which do not allow headgear to be worn in this

manner, or which interfere with the proper wear of protective masks or equipment are prohibited. When in uniform, the hair may touch, but not fall below a horizontal line level with the lower edge of the back of the collar. Long hair, included braids, which fall below the lower edge of the collar shall be neatly and inconspicuously fastened, pinned or secured to the head. No portion of the bulk of the hair as measured from the scalp will exceed approximately 2 inches. Figure 5-2 refers. A maximum of two small barrettes/combs/clips, similar to hair color, may be used in the hair. Additional bobby pins or rubber bands which match hair color may be used to hold hair in place, if necessary. Fabric elastics and color rubber bands/pins are not authorized. Elastic hair bands are not authorized, with the exception of in physical education gear. Only navy blue, black or brown elastic hair bands are authorized. Hairnets shall not be worn unless authorized for a specific type of duty.

Rubber bands and bobby pins are not authorized over Plebe Summer to keep hair up with the exception of physical training. Upon the conclusion of Plebe Summer, Fourth Class Midshipmen will be authorized to comply with the hair regulations above.

Hair shall not fall below a horizontal line level with the lower edge of the back of the collar as indicated by line A. When wearing white works, hair can extend a maximum of 1-1/2 inches below the top of the jumper collar.

Figure 5-2

c. Shaving and mustaches (Men). The face shall be clean shaven at all times, unless authorized for medical reasons. Midshipmen that are medically exempt from shaving must still comply with reference (a).

d. Hairpieces. Wigs or hairpieces shall be of good quality and fit, present a natural appearance and conform to the grooming standards set forth in these regulations. They shall not interfere with the proper performance of a duty nor present a safety or FOD (Foreign Object Damage) hazard.

(1) Men. Wigs or hairpieces may be worn by Midshipmen while in uniform or duty status only for cosmetic reasons to cover up natural baldness or physical disfigurement.

(2) Women. Wigs or hairpieces meeting women's grooming standards are authorized for wear by personnel while in uniform or duty status.

(2) Verify Identification on Uniforms. Check all uniforms and other items being submitted for identifying information (last name, alpha code, and Company number). Ensure all items belong to the owner of the bag(s), markings are in the proper locations and legible, as prescribed above.

(3) Remove non-washable items. Remove collar buttons, pens, cuff links, shoulder boards, IDs, uniform buttons and other hardware. Ensure all pockets are empty.

(4) Inventory all items and complete laundry ticket. Complete in accordance with the instructions on the ticket. Sort and place the proper items in the proper NETS and BAGS, using the following guidelines:

**Yellow NET:**

Color items (e.g., gym shorts, t-shirts, dark socks...)

**White NET:**

White items (e.g., Blue Rim t-shirts, underpants, undershirts, white socks, washcloth...)

|                              |   |
|------------------------------|---|
| <b>Women's Personal NET:</b> | (Optional) Delicate items (e.g., bras with hooks)   |
| <b>White Canvas BAG:</b>     | White Works uniforms, <u>Linen Exchange items</u> , all nets, other white bag items (e.g., sweats) only, ticket |
| <b>Blue Nylon BAG:</b>       | Dress uniforms, Blue bag items only, ticket   |

**NOTE: DO NOT** load **NETS** higher than the external cloth strip. This strip is also the **FILL LINE**. Exceeding this level may result in incompletely dried laundry, which may smell and be badly wrinkled upon return. Multiple nets and bags may be submitted at the same time. Be certain each **BAG** has a ticket.

(5) Prepare Personal NET (Women Only). A fine-mesh personal net is provided to women to submit delicate garments, bras with hooks, etc. for laundering. Use of this net is **OPTIONAL**. This net is to be placed inside the **WHITE NET**.

(6) Close NETS. Close nets tightly by securing with the affixed safety pin before placing in the White Canvas Bag. The safety pin will be secured no more than 1/4 inch from the top of the net. *Laundry nets are not opened during the laundry process.*

(7) Prepare White Canvas BAG. Place all nets, remaining garments and other white bag items, including white works and gray sweats, in the white bag, putting linens in last and tucking these in to keep smaller items from falling out of laundry bag. Be certain to put a completed laundry ticket into bag, retaining the original top copy for reference.

(8) Prepare Blue BAG. Place all dress uniforms, accessories, and other blue bag items in the blue bag. Be certain to put a completed laundry ticket into the bag, retaining the original copy for reference.

(9) Secure Drawstrings. Secure drawstrings of white canvas BAG and blue BAG so that in handling and transportation items cannot fall out. Do NOT knot drawstrings.

(10) Place bag(s) in laundry cart

4. Lost Laundry. Most laundry lost by Midshipmen is caused by failure to mark it properly or to pick it up promptly when returned to the deck.

(1) Inquiries, Claims, Lost and Found. Claims for lost or damaged items will be submitted within two weeks. This may be done by email ([laundry@usna.edu](mailto:laundry@usna.edu)); include ticket number and date, alpha code and company number, or at the service counter at the Fifth Wing Laundry Service Center.

(2) Laundry Found Bags. Items that are found in pockets or

attached to garments during laundry check-in are placed in small white "found bags". For most items (keys, name tags, etc.), these bags are returned to the Company Mate of the Deck (CMOD) desk in each company area on the regular laundry delivery day. For items such as IDs, credit cards, wallets and currency, the bag will be sent to the Fifth Wing Laundry Service Center for retrieval. An email will be sent advising when the bag is available for pick-up. Identification must be presented at time of pick-up.

(3) Loose Laundry without Alpha Codes. Loose laundry without alpha codes is sent to the 5<sup>th</sup> Wing Laundry Service Center. The 5<sup>th</sup> Wing staff will work with Midshipmen to identify these items.

(4) Laundry Received in Error. If there is an alpha code on the item(s), contact and arrange to pass the item on to its owner. If there is no response, or there is no alpha code, bring the item(s) to the 5<sup>th</sup> Wing Laundry Service Center for follow up.

4. Fifth Wing Laundry Service Center. The Service Center is an alternate drop off and pick up location for quick turn cleaning orders for dress uniform (blue bag) and limited civilian clothing items and functions as the Facility's customer service desk. It also facilitates limited on-site exchange of linen items that are part of the Brigade Linen Exchange Program (sheets, pillowcases, towels, blankets, and spreads).

**6103. FOLDING AND STORAGE PROCEDURES**

1. Folding and Storage Procedures. After labeling all items with the proper alpha number, issued clothing should be folded in accordance with the following instructions:

a. Underwear (male and female). Divide into thirds; fold right third and then left third back; fold bottom up to form a square with waistband at the top; stack in locker with rounded ends flush and facing out (Figure 6-A).

**Figure 6-A Underwear (Male and Female)**

b. Brassieres. Divide into thirds; fold right third and then left third back; fold top straps down to form a square; stack in locker with bottom sweatbands flush and facing out (Figure 6-B).

c. Socks. Pair up one sock on top of the other; beginning at the toes, roll the pair into one tight ball until the tops of the socks are reached; pinch free ends to the ball while pulling the edge of the outside sock back around the ball in the opposite direction of the roll; resulting enclosed ball should form a "smile;" line balled socks up from the front of the locker to the back, smiles facing up (Figure 6-C).

d. T-shirts (blue rims, intramural jerseys, white T-shirts, V-necks). With shirt face down on a hard surface, fold bottom half of shirt back until the bottom edge lines up with the shoulders; fold both sleeves back to form a rectangle; fold bottom third of resulting rectangle back (crest should still be face down); fold top third back; fold this new rectangle in half lengthwise so that crest is now face up; stack shirts in locker with rounded ends flush and facing out and all crests facing up (Figure 6-D).

m. Fitted Sheets. Folded in half widthwise placing left top corner inside right top corner and left bottom corner inside right bottom corner so that the extra material due to the elasticized corners lines three sides of the new rectangle; fold the length over a distance equal to the width of the extra material lining that length; fold this rectangle in half lengthwise three times; stack in locker with the flat sheets and pillowcases with rounded ends flush and facing out (Figure 6-M).

p. Wool Blankets. To be stowed in lockers in their plastic preservation bags; when displayed on the end of a rack, first bring the yellow ends together; fold the resulting rectangle in half lengthwise; fold this new rectangle into thirds so that the yellow ends remain on the outside; stow on rack with yellow ends facing up and the rounded edge facing out.

2. Locker Stowage. Proper locker stowage should be uniform and in accordance with the following guidelines in Figure 6-P.

a. These stowage procedures are established for rooms with the same number of Midshipmen as there are lockers. In the event that a room is occupied by more Midshipmen than there are lockers to accommodate them, one Midshipman will be required to divide his/her issue between the lockers to maintain the uniform stowage delineated above.

b. The general rule for uniforms is always black to white, left to right, top to bottom. The only exception to this is shoe stowage in the closet. To preserve the white shoes, they should be placed on the top rungs (toes out), followed by the black shoes on the middle rung (toes out), and lastly the sneakers, high-tops, and slippers on the bottom rungs (toes in).
