(2) List of Current ECAs
(3) End of Year Report Format
(4) Inventory Report
(5) Election Results
(6) President's Letter of Relief
(7) Election of ECA President's Memorandum

1. Purpose. To promulgate policy, procedures, and reports applicable to all ECAs. Enclosures (1) through (7) are germane.

2. Cancellation. COMDTMIDNINST 1710.14G. This is an updated revision and should be reviewed in its entirety. Changes are not annotated in the margins.

3. Action. All ECAs will comply with the provisions listed herein.

4. Review Responsibility. The Midshipmen Activities Officer (MAO) is responsible for the annual review of this instruction.

A handwritten signature in blue ink, appearing to read "RE", is located below the text of the instruction.

R. E. CLARK II

Distribution:
All Non-Mids (Electronically)

OPERATING PROCEDURES FOR ECAs

1. Responsibility. The Commandant of Midshipmen is responsible for all extracurricular activities. The Midshipmen Activities Officer (MAO) will act for the Commandant on all matters of routine administration of these activities. A commissioned or non-commissioned officer attached to the United States Naval Academy will act as the "Officer Representative" for each ECA. Officer Representatives will abide by policies and procedures set forth in reference (a).

2. Mission. ECAs are those activities determined to add benefit to the Brigade of Midshipmen, the Naval Academy, or the United States Navy. They are established in order to allow Midshipmen the ability to acquire special skills not available within the basic academic or athletic programs. ECAs are charged with carrying out official functions on behalf of the Superintendent, Commandant, and the Naval Academy in order to support the mission of the Naval Academy.

a. Participation in every ECA is voluntary and must complement, but not interfere with, the fundamental requirements and routines of the Brigade. Special procedures permitting deviations from the normal routine of the Brigade may be authorized on a case by case basis.

b. Due to their unique nature and the value to the Brigade, in accordance with reference (b), special consideration will be given for requests to participate in movement orders and excusals that require missing academic classes and mandatory events. Each specific movement order and request will be examined individually by Commandant Operations. Approval for one event does not grant approval for all.

c. Academic divisions or departments having purview in the specific area of an ECA will sponsor the ECA and provide its Officer Representative. Prior to establishing additional ECAs, concurrence of the Commandant of Midshipmen and Academic Dean must be obtained.

3. Rules and Regulations

a. Membership and participation. Company Officers will grant final approval of membership and participation in ECAs based on Midshipman's academic, professional, and PE performance records. Company Officers will pay particular attention to the number of ECAs a Midshipman is involved in to ensure Midshipmen do not become over committed such that their participation detracts from the basic mission requirements. In general, Plebes will be limited to three ECAs and upper-class Midshipmen will be limited to five ECAs. Exceptions to this may be extended to those Midshipmen on the Superintendent's, Dean's, or Commandant's List or as deemed appropriate by the Company Officer.

b. Eligibility. Members fall into one of three categories: Fully eligible, not eligible for movement orders, and suspended.

(1) Fully eligible. Those members who meet the eligibility requirements for movement orders stipulated in reference (b).

(2) Not eligible for movement orders. Members who do not meet the weekend eligibility requirements delineated in reference (a), are not eligible to be on Movement Orders. Members who are not approved for movement orders may still practice and perform for events at the Naval Academy.

(3) Suspended. A Midshipman will be suspended from any and all participation if the Commandant, Deputy Commandant, or the Midshipman's Battalion or Company Officer deems it necessary due to poor academic, professional, or PE performance. Midshipmen in a restricted status fall into the suspended category.

c. In accordance with reference (c), ECAs can meet on Monday, Wednesday, and Friday from 1915-2000 and Tuesday, Thursday and Sunday from 1900-2000, subject to other scheduled mandatory events. Special requests to meet outside these times must be approved by Commandant Operations.

d. ECAs must have an Officer representative or Enlisted representative. Any non-USNA volunteer must submit a DD 2793, Volunteer Agreement Form, to the MAO for approval by the Commandant Operations Officer.

e. Rosters. The Officer/Enlisted representative of each activity shall ensure the activity president has input organization's roster into the MIDS program no later than two weeks following the return of the Brigade. Rosters are to be verified and updated on a monthly basis in the MIDS system. Failure to verify rosters for two consecutive months may result in disestablishment. Changes to a Midshipman's status, as deemed necessary by the Company officer, will be directed to the ECA president or to the MAO. Suspended members will be changed to non-member status in MIDS database. Only members eligible for movement orders will be listed on an activity's roster.

f. Football Games. Attendance at all home football games is considered a military obligation and Midshipmen will not be authorized to participate in ECAs during the games unless their activity supports the game (i.e., Philo, Cannoneers, etc.).

g. Size Restrictions. ECAs may be authorized to restrict the size of membership for reasons such as the nature of the club activities or available facilities; however, any restriction to club membership will be approved by the Commandant of Midshipmen via the MAO.

h. Intramural Exemptions. A listing of in-season periods, squad sizes, and intramural/drill exemption totals for ECAs is contained in reference (d). Midshipmen who are intramural exempt will be required to maintain individual physical conditioning programs during the sports season for which they are exempt. All ECAs listed in enclosure (2) with an asterisk are permanently intramural exempt.

(1) Intramural exemptions are only valid during the in-season period of the ECA, as listed in reference (d). When not considered to be in-season, Midshipmen will participate in a Varsity, Club, or Intramural sport.

(2) Intramural exemptions are only authorized for ECAs that practice during the intramural sports period from 1600 to 1800. Athletic ECAs are not automatically qualified for intramural exemptions. Exemptions must be requested annually, except for asterisked ECAs as listed in enclosure (2).

i. Internet Protocol. Per reference (e), ECA websites are designated as, "Supplemental USNA websites maintained in an official capacity." Personnel acting in their official capacity shall maintain liaison with public affairs and operations security staff to ensure organizational awareness. Every ECA will ensure its website is updated on a monthly basis.

j. Guest Speakers. Per reference (f), invitations to visiting and/or guest speakers will be restricted to those times authorized for ECAs. Activities are reminded that prior approval will be obtained before inviting a guest speaker. Civilian DVs and O-6 and above require Commandants approval via the MAO prior to invitation. Only authorized, standardized gifts for guest speakers may be purchased with MWF funds. (Contact MWF personnel for information on which gifts are authorized.)

k. Non-Academy Affiliations. Midshipmen involved with ECAs will not organize any form of local entertainment or amusement, nor will they affiliate themselves with any fraternal or secret association within or outside of the Naval Academy without specific approval by the Commandant of Midshipmen. Any Midshipman who is approached by a fraternal or secret association will report the matter immediately to his/her Company Officer.

l. Gratuity. No Midshipman will accept any gratuity as a result of participation in an ECA.

m. End of Year Report. The MAO shall review the End of Year Report for each ECA. All End of Year Reports are due to the MAO by the 1st week of April. The proper format for the End of Year Report and its enclosures are contained in enclosures (3) through (6). Blank forms are available in the MAO office. If an ECA is determined to have discrepancies, the organization will be presented to the Operations Officer for review. The Operations Officer will then convene a Review Board to determine whether the organization will remain in an active status. The members of the Review Board shall include: Operations Officer, MAO, and any other involved parties (Officer Representative, Club President, etc.). The Operations Office will forward a report of the board's findings and pertinent recommendation to the Commandant of Midshipmen. Following the review of End of Year Reports for each ECA, an election of ECA President's memorandum (enclosure (7)) will be forwarded to the Commandant of Midshipmen for approval.

n. Constitution and By-Laws. ECAs receive official recognition authorization for their existence from the constitution and by-laws approved by the Commandant of Midshipmen. Each will have a constitution and/or by-laws (sample copies may be obtained from the MAO).

o. New ECAs. A request for a new ECA must be made in writing to the Commandant of Midshipmen via the MAO and Operations Officer. Requests are reviewed annually and must be submitted to the MAO by 20 April. Requests must include the following:

(1) Nature and purpose of the activity.

(2) Approximate number and names of Midshipmen interested in the activity (minimum of 20 - waivers may be granted for the minimum number on a case-by-case basis.)

(3) Financial assistance required and justification.

(4) Facilities required. A statement from the officer or faculty member who supervises the facility requested shall be enclosed. This statement shall describe the impact of approval on other programs using the facility.

(5) Organization and officers of the proposed activity.

(6) Trips, privileges or other support required.

(7) Draft of proposed Constitution and/or by-laws.

(8) Criteria for terminating the activity.

(9) An explanation of the uniqueness of the proposed ECA. Additionally, a statement addressing why existing ECAs are unable to achieve the same fundamental purpose or a statement providing recommendations for deletions of existing similar ECAs must be included. If a deletion is recommended, a statement from the Officer Representative of the affected ECA must be enclosed. This statement should evaluate the proposed ECAs ability to better serve the fundamental purpose of the existing ECA.

(10) An estimate of the time commitment of the individuals who would be involved in the proposed ECA.

(11) Certification that all assistants, coaches, instructors, etc., are Midshipmen or members of the Naval Academy staff or faculty, or have submitted a DD 2793, Volunteer Agreement Form, for approval by the Commandant Operations Officer.

p. Disestablishment. ECAs will be disestablished by the Commandant of Midshipmen whenever the utility no longer warrants continued operation (as determined by the Commandant); membership drops below 20 Midshipmen; or failure to submit required reports, schedule activities, or expend designated funds indicates the club has become inactive.

4. Facilities

a. Assignment. On the authorization of the Commandant of Midshipmen, office workshop space is assigned through the MAO by the Bancroft Hall First Lieutenant. ECAs requiring additional space or modifications to existing spaces may submit requests in writing to the Bancroft Hall First Lieutenant via the MAO. Door tags are required on each allotted space at all times. These tags may be obtained by submitting a memorandum request to the First Lieutenant or having one made at the Midshipmen Store.

b. Access. Only Midshipmen who are listed on the membership roster in MIDS are authorized access to the assigned spaces. The privilege is denied automatically to any Midshipman whose name is removed from the roster of the

activity. Spaces are to be used only during authorized times. Whenever the assigned space is to be left unoccupied, it will be secured by the last exiting Midshipman. Key or cipher lock combination to each space should be turned over from one president to the next. The current president is responsible for the distribution and control of keys and cipher lock combinations. Combinations shall only be given out to activity officers.

c. End of Year Action. At the end of the academic year, but prior to Commissioning Week, the succeeding president will secure the club spaces and turn all keys over to incoming president. Cipher lock combinations shall be changed with turnover and new combinations will be reported to the MAO. The succeeding president will submit in the End of Year Report (enclosure (3)) a list of Midshipmen authorized summer access to their spaces.

d. Locks. Lock replacement and duplicate key requests will be submitted by memorandum to the Bancroft Hall First Lieutenant via the Officer Representative and MAO. Costs for these services will be charged to the club.

e. Cleanliness. All club spaces must be clean and orderly. Spaces are inspected periodically by the Deputy Commandant, Bancroft Hall First Lieutenant, MAO, Officer Representative, OOW, and Fire Marshal. Personal clothing or equipment extraneous to the organization's purpose will not be left in assigned spaces at any time.

f. Repair. Club spaces in need of repair shall be reported to the Bancroft Hall First Lieutenant via the MAO. Officer Representatives will instruct club presidents to submit work requests for damaged facilities to the spaces. Failure to submit the appropriate work request(s) for repairs will result in the loss of use of the space/facility.

g. Additional Spaces. ECAs that require the use of a field or indoor space for practice are required to obtain prior approval for all practice times from the Athletic Facilities Manager. Facility availability and allocation will be re-verified on a semester basis.

5. Telephones. Charges for phone calls regarding club business will be covered by the club's reserve account.

6. Elections. To ensure all members of an activity will be allowed to participate in the nomination and election process for electing their respective activity's Midshipmen officers, the following criteria apply to all elections:

a. E-mail notification to all members stating the date, time, and place of the election meeting will be distributed two weeks prior to the election. The election meeting will be scheduled during authorized ECA time when a majority of members will be available to attend.

b. Each active member who has been on the roster for at least one semester during the academic year will be entitled to one vote.

c. A majority of the members eligible to vote must be present at an election meeting to validate the proceedings.

d. Each member is entitled to a nomination.

e. Members of the most senior class available should serve as presiding officers.

f. Activities that have committees, sub-committees, or other internal groups will elect members to these committees. Election procedures for these committees will conform to those prescribed for election of presiding midshipmen officers.

g. All elected ECA Presidents will be approved by the Commandant of Midshipmen via enclosure (7).

7. Equipment Custody

a. Strict accountability of equipment and property is required to preclude inadvertent loss or theft and to provide a continuous record of accountability from the time of receipt or purchase until the item is surveyed or expended. Officer Representatives will determine if items are pilferable. In order to be considered pilferable, items must be valued at \$250 or more, and must meet the SECNAV definition; pilferable items have a ready resale value or application to personal possession and that are, therefore, especially subject to theft.

b. The Officer Representative will have ultimate responsibility for the accountability of activity equipment and will ensure timely inventories are conducted, custody equipage cards are properly maintained and equipment is afforded proper care and security. Officer Representatives are to further ensure the annual activity equipment inventory report is properly submitted and major discrepancies concerning equipment are submitted in a timely manner to the MAO.

c. The Officer Representative is ultimately responsible for damaged, destroyed, or missing equipment. Damaged, destroyed or missing equipment will be replaced by the ECA with their reserve account funds. Equipment requiring preventive maintenance shall be maintained as necessary. ECAs shall establish and maintain a proper Preventive Maintenance Schedule (PMS) in order to properly maintain their equipment. Failure to properly maintain equipment or to repair/replace damaged, destroyed, or missing equipment may result in the disestablishment of the ECA.

d. Individual custody records will be prepared for each item of property or equipment held by the activity for which accountability is required. Each ECA must have a separate member designated to maintain the inventory database, who is independent of the custody function and not the President.

e. An activity is to develop its own custody record cards and maintain a current file of all equipment. As a minimum, record cards should include item description (with serial number as applicable), quantity, and date of purchase or receipt.

f. The Officer Representative will ensure the equipage custody cards are maintained on a current basis. New cards will be prepared for new property

which qualifies for accountability control. Lost or expended property will be surveyed and a report of the survey submitted to the MAO.

g. Once each quarter, a sight inventory will be conducted to include all items on the inventory report (enclosure (4)). Other items which are considered appropriate for inclusion as permanent custody are to be added. A hard copy of the inventory report will be submitted to the MAO. The final inventory in April will be conducted jointly by the incoming and outgoing President for the academic year, under the observation of the Officer Representative. If annual inventory has not previously been conducted, one must be conducted within 60 days of the date of this instruction.

h. The annual inventory report is separate from all financial reports due to MWF. For all financial reporting procedures, refer to reference (g).

i. The purpose of a property loss form is to officially report the facts and circumstances supporting the assessment of financial charges for the loss, damage, or destruction of property. A Property Loss Form (DD Form 200) is required for all equipment valued at \$300 or more which must be removed from the ECA's inventory record (lost, destroyed, worn out, etc.), and can be obtained online. Basic steps for the survey procedure are as follows:

(1) Initiating the Investigation - The president is the initiator and will complete blocks 1 through 11.

(2) Reviewing Authority - The Officer Representative is the reviewing authority and will review blocks 1-10 and complete block 12.

(3) Appointing Authority - The MAO is the appointing authority and will review the findings and indicate approval/disapproval action in Block 13.

(4) Approving Authority - The Operations Officer is the approving authority and will approve or disapprove the disposal action by completing block 14.

(5) Disposal Action - MAO disposes of material in accordance with the Operations Officer's decision.

j. Equipment no longer in use shall be disposed of using the following hierarchy and all sales or transfers will be approved by the MAO prior to transfer.

(1) Sell or transfer to another MWR (including NABSD)

(2) Sell in an open manner to the following: Midshipmen, USNA family, public.

8. ECA Mark

a. The ECA mark is a program designed to supplement the PE mark to those ECAs who do not participate in Intramurals or Varsity/JV/Club Sport.

23 Aug 12

b. Intramural exempt ECAs are listed in reference (d). Intramural exempt ECAs do not receive a PE Mark but should be awarded an ECA mark.

c. The Midshipmen Activities Officer will be responsible for entering all ECA participants' ECA mark.

d. To assure each Midshipmen is given due credit, each Officer Representative shall submit proper rosters in the MIDS System, designating who is ECA President, ECA Officers, and ECA active members.

e. Points are assigned for participation level as outlined in 1-4 below:

(1) 3 - ECA President

(2) 2 - ECA Officers

(3) 1 - ECA active Members

(4) 0 - Non-Member
