COMMANDANT OF MIDSHIPMEN NOTICE 5320

Subj: 2012 SUMMER STRIPER BOARD AND DETAIL SLATING

Ref: (a) COMDTMIDNINST 1600.4B
(b) COMDTMIDNINST 1601.12C

Encl: (1) Sample Precept Waiver Justifications
(2) Company Detail Slating Spreadsheet

1. Purpose. To publish procedures for the selection of qualified Midshipmen to fill striper billets in support of 2012 Plebe Summer, Naval Academy Preparatory School (NAPS), Naval Academy Summer Seminar (NASS), and Naval Academy Science Technology Engineering and Mathematics (STEM) Details.

2. Background. Serving as a Summer Detail member is one of the most rewarding leadership experiences at the Naval Academy. The Detailers are provided the opportunity to develop, refine, and practice leadership skills and to lead by the power of their personal example. The challenges of Detail assignment will help define the character of those entrusted with the responsibility for the care and welfare of newly appointed Midshipmen and prospective Midshipmen. It provides the opportunity for Midshipmen to hone their practical leadership skills that will become the foundation of their success as junior officers in the Navy and Marine Corps.

3. Discussion

a. This notice provides guidance for Second, Third, and Fourth Class Midshipmen summer detail slating during the late January to early February 2012 timeframe.

b. When selecting Midshipmen to nominate, Company Officers and Senior Enlisted Leaders will look for those Midshipmen who are exhibiting the traits of the next higher class now. Detail members need to be the best. The *Midshipmen Leadership Development Guide*, enclosure (1) of reference (a), will be used as a tool for selection. Requirements for selection are Midshipmen who set the example, effectively exercise the chain of command, delegate and supervise, and maintain the standards. Company Officers will select and nominate the best qualified Midshipmen. While a Midshipman should have a sincere desire and passion to serve on these details, their performance - morally, mentally, and physically - should be the primary factor in determining selection.

c. To be eligible for Summer Detail, a Midshipman must have received a "B" or higher in Conduct and Aptitude, and a "C" or higher on the PRT during the academic year 2012 fall semester. The Midshipmen that do not meet minimum eligibility requirements (including an I in PE) require written justification by the Company Officer/Senior Enlisted Leader. Enclosure (1) is an example of a justification memo that provides the necessary information to properly brief the chain of command. Midshipmen who fail to maintain precept standards through academic year 2012 spring marking periods will be reviewed and considered for replacement by the Plebe Summer Officer-in-Charge at the end of the semester with input from the parent chain-of-command.

d. Strong consideration should be given to those Midshipmen for whom it would be difficult to carry the additional workload of a striper billet during the academic year, including varsity athletes.

e. 2012 Summer Detail leadership opportunities breakdown as follows:

(1) Plebe Summer	462	1/C
(1 st and 2 nd Sets combined)	38	2/C
(2) Plebe Summer Weapons Detail	24	1/C
	90	2/C
(3) NAPS Detail	50	1/C
(4) NASS Detail	41	1/C
	150	3/C
(5) STEM Detail	25	1/C
	55	2/C

f. The 2012 Summer Striper Board will interview for, and slate, 24 summer detail positions:

- (1) Plebe Summer
 - (a) Regimental Commander, XO & Ops (3 MIDN x 2)
 - (b) Port & Starboard Battalion Commanders & XOs (4 MIDN x 2)
 - (c) Weapons Battalion Commander, XO (2 MIDN)
 - (d) Regimental Honor & Character Liaison (1 MIDN x 2)
- (2) NAPS. Battalion Commander & XO (2 MIDN)
- (3) NASS. Battalion Commander & XO (2 MIDN)
- (4) STEM. Battalion Commander & XO (2 MIDN)

4. Action

a. Except as modified by this notice, nomination and board procedures will follow those as outlined in reference (b) for academic year striper selections.

b. Based upon Company Officer recommendations, Battalion Officers will nominate five Midshipmen for appearance before the Summer Striper Board. The Weapons Detail Officer-In-Charge will nominate two Midshipmen for the Weapons Battalion Commander and XO positions (each). Nominations are due to the Aptitude Officer by COB 18 January.

c. By 23 January, the Aptitude Officer will prepare and distribute briefing books to members of the Summer Striper Board and prepare an order of appearance, providing times to Company Officers of Midshipmen to be interviewed.

d. The 2012 Summer Striper Board interviews will be held in the Commandant's Conference Room from 1540 to 1800, 24 January, and from 1540 to 1730, 25 January. The Board will reconvene 30 January from 1540 to 1730 to slate selected Midshipmen to specific striper billets. The Deputy Commandant of Midshipmen will chair the Board which will include Battalion Officers, the Commandant's Senior Enlisted Advisor, and the previous summer's set one and set two Regiment Commanders. The Aptitude Officer will serve as recorder.

e. Following the Summer Striper Board, Battalion Officers will be allocated their fair share of billets to nominate Second Class Midshipmen across all three details for Regimental and Battalion staffs. Company Officers will also nominate, through their Battalion Officer, NAPS, NASS, STEM, Weapons, and Plebe Summer company detail. Plebe Summer company staffs will alternate between sets. For example, in ALPHA Company, 1st Company will have Company Commander and Administrative Officer, and 2nd Company will have Company Executive Officer and Operations Officer during 1st Set, swapping responsibilities for 2nd Set. Second Class Midshipmen will serve as Company Administrative Officers. Enclosure (2), to be sent electronically to Battalion and Company Officers, will be utilized for forwarding nominations for Plebe Summer to the Plebe Summer Administrative Officer no later than 8 February. The finalized summer detailing slates will be submitted to the Summer Training Office no later than 2 March.

f. For each Plebe Summer Detail Set (with Company and Battalion Officer endorsement), the following individuals will submit their respective slate to the Plebe Summer Admin Officer no later than 8 February 2012:

- (1) Director, Character Development and Training
 - (a) Regimental Character Training (1 MIDN x 2)
 - (b) Honor Advisors (3 MIDN x 2)
 - (c) Battalion Character Advisors (2 MIDN x 2)
- (2) Officer Representative, Drum and Bugle Corps
 - (a) D&B Commander (1 MIDN x 2)
 - (b) D&B Executive Officer (1 MIDN x 2)
 - (c) D&B Operations Officer (1 MIDN x 2)
 - (d) D&B Platoon Commanders (1 MIDN x 2)
 - (e) D&B Section Leaders (5 2/C MIDN x 2)
- (3) Brigade Drill Gunnery Sergeant. Regimental Drill Officer
(1 MIDN x 2)
- (4) Religious Ministries. Regimental Chapel Liaison (1 MIDN x
2)

g. Second Class Midshipmen being nominated for Plebe Summer Weapons Detail must have been coaches for Plebe Summer 2011. This prerequisite may be waived on a case-by-case basis.

Ref: (a) COMDTMIDNNOTE 5320; 2012 Summer Striper Board and Detail Slating

Encl: (1) Proposed 17th Company Summer Striper Board and Detail Slating

1. Enclosure (1) is provided in accordance with reference (a).

2. 17th Company has nominated three individuals who do not meet precepts of reference (a). Request precept waiver and approval for the following Midshipmen to serve on summer details:

a. 2/C XXXXXX XXXXXX (13XXXX), nominated for Plebe Summer Squad Leader: 2/C XXXXXX received a C in Aptitude due to numerical constraints.

b. 2/C XXXXXX XXXXXX (13XXXX), nominated for Plebe Summer Staff: MIDN 2/C XXXXXX is an extremely dedicated and hard working Midshipman whose aptitude grade is dropped by her peer rankings. I have no doubts as to her capabilities. If placed in a staff job for Plebe Detail she would excel. She is highly recommended for a waiver to the requirement.

c. 2/C XXXXXX XXXXXX (13XXXX), nominated for Plebe Summer Squad Leader: MIDN 2/C XXXXXX is my top "C". A highly charismatic Midshipman, he is finally finding his legs during Second Class year and would benefit enormously from the detail experience. Improved ranking 10 places from spring 2011. He is highly recommended for a waiver to the requirement.
