

**EE322 Fall 09 Homework Problem Set 12 (PS12)**

1. Text, Problem 3-33a or d (do one of these or the other).
2. Text, Problem 3-34c, e. You do not need to plot these, just find the fundamental period. Note: for part (e), Appendix A has a useful Trigonometry formula for this problem.
3. Text, Problem 3-35b, d.
4. Text, Problem 3-36b, d. Note: these are both periodic signals.
