

EE432 Fall 08 Homework Problem Set 2 (PS02)

Turn in your code and copy/paste the results from the MATLAB command window.

1. MATLAB text, problem 3.8.
2. MATLAB text, problem 4.7.
3. MATLAB text, problem 5.2. Be sure you use the equation in problem 5.1.
4. MATLAB text, problem 5.3. Print your tables into separate text files, but instead of printing 25 lines in each table, only print 10 lines.
