

Chuck Norris

A Force in Physics, Chemistry, Mathematics and Computer Science

0. Chuck Norris can divide by zero.
1. Chuck Norris has counted to infinity – twice.
2. Chuck Norris knows the last digit of pi.
3. When chuck Norris does division, there are no remainders.
4. Chuck Norris can split the atom. With his bare hands.
5. Chuck Norris can win a game of Connect Four in only three moves.
6. Chuck Norris is the only human being to display the Heisenberg uncertainty principle -- you can never know both exactly where and how quickly he will roundhouse-kick you in the face.
7. Scientists have estimated that the energy given off during the Big Bang is roughly equal to 1CNRhK (Chuck Norris Roundhouse Kick)
8. Newton's Third Law is wrong: Although it states that for each action, there is an equal and opposite reaction, there is no force equal in reaction to a Chuck Norris roundhouse kick.
9. Chuck Norris invented black. In fact, he invented the entire spectrum of visible light. Except pink. Tom Cruise invented pink.
10. Scotty in Star Trek often says “Ye cannae change the laws of physics.” This is untrue. Chuck Norris can change the laws of physics. With his fists.
11. If, by some incredible space-time paradox, Chuck Norris would ever fight himself, he'd win. Period.
12. Roundhouse kicks are comprised primarily of an element called Chucktanium.
13. A study showed the leading causes of death in the United States are: 1. Heart disease, 2. Chuck Norris, 3. Cancer.
14. According to Einstein's theory of relativity, Chuck Norris can actually roundhouse kick you yesterday.
15. Google won't search for Chuck Norris because it knows you don't find Chuck Norris, he finds you.
16. Chuck Norris destroyed the periodic table, because Chuck Norris only recognizes the element of surprise.
17. The square root of Chuck Norris is pain and the square is death.
18. The First Law of Thermodynamics states that energy can neither be created nor destroyed... unless it meets Chuck Norris.
19. All roads lead to Chuck Norris and by the transitive property, a roundhouse kick to the face.
20. The chemical formula for the highly toxic cyanide ion is CN⁻. These are also Chuck Norris' initials. This is not a coincidence.
