

Nimitz Library Quick Tips: Knovel in Navy Knowledge Online (NKO)

Knovel is one of the resources in Navy Knowledge Online. Knovel is a collection of more than 800 online engineering handbooks.

1.

Go to: Nimitz Library – Databases – Navy Knowledge Online

New to NKO? Follow “New Users” to register (contact “Help Desk” for help).

Already an NKO User? Logon and click “REFERENCE”

2.

Click “Econtent – Engineering”

3.

Click “Knovel”

Tip!

To improve your results, turn the search filter ON.

Every time you enter Knovel, the “My Subscription Search Filter” is off.

If you **click “On”** you will only see results that you have access to.
