

United States Naval Academy
Assistant Professor

Applications are invited for two tenure-track positions in Mathematics, Operations Research or Statistics (subject to approval) beginning August 2013. An Applied Mathematics background for at least one position is highly desirable. Extraordinarily well-qualified candidates at the Associate Professor level may be considered. Candidates must have a Ph.D in Mathematics, Operations Research, Statistics or closely related field. Qualified candidates should show potential to conduct an active scholarly program and should be committed to undergraduate teaching, including courses with a programming component. Promotion and tenure evaluations follow the AAUP guidelines. See <http://www.usna.edu/MathDept/website/index.html> for additional information.

Applicants are strongly encouraged to use MathJobs.org to submit the required materials listed below. If for some reason this is not practical, the materials may be mailed to: Search Committee, Mathematics Department, 572C Holloway Rd., U. S. Naval Academy, Annapolis MD 21402-5002. Email: meh@usna.edu. Telephone: 410-293-6701. Fax: 410-293-4883.

Applicants should provide an AMS cover letter, a letter of application that includes a statement of professional goals, a C.V., three letters of reference, at least one of which addresses teaching, and copies of graduate transcripts. Applications will be evaluated starting in mid-December and will be accepted through January.

The United States Naval Academy does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor.
