

Dr. Bruce Johnson: List of Journal and Conference Papers

Johnson, B., Miles, J., Lasher, W. C. and Womack, J., 2009 “Operator Guidance Based on Assessing the Wind-Heel Angle Relationship of Traditionally-Rigged Sailing Vessels”, *Transactions of the SNAME*, 2009.

Lasher, W. C., Tinlin, D.R., Johnson, B, Womack, J, Miles, J. C., Rybka, W. and Heerssen, , W. 2009 “Assessing the Wind-Heel Angle Relationship of Traditionally-Rigged Sailing Vessels”, *Proceedings of the Nineteenth Chesapeake Sailing Yacht Symposium*, Annapolis, MD, March 20-22, 2009.

Miles, J.C., Johnson, B., Womack, J. and Franzen, I, 2007 “SNAME’s Stability Letter Improvement Project (SLIP) for Passenger Sailing Vessels”, *Proceedings of the Eighteenth Chesapeake Sailing Yacht Symposium*, Annapolis, MD, March 2-3, 2007, pp. 165-184.

Womack, J., and Johnson, B, 2005 “A Systematic Study of Wave Phasing on Righting Arm Curves for Fishing Vessels”, *Transactions of SNAME*, 2005.

Womack, J. and Johnson, B., 2003 *SNAME Guide to Fishing Vessel Stability SNAME T&R Bulletin 024*, 2003.

Johnson, B. and Borlase, G., 2003 “Time to Flood Analysis for the Fishing Vessel Arctic Rose,” *Transactions of the SNAME (WMTC Conference)*, 2003.

Womack, J., and Johnson, B., 2003 “Integrated Stability Training Program for Commercial Fishing Vessel Crews and the Fishing Community”, *Proceedings of IFISH II*, 2003.

Johnson, B., and Grochowalski, S., 2002 “Development of a Performance Based Fishing Vessel Stability Criteria”, *Proceedings of the 6th International Ship Stability Workshop*, Webb Institute, 14-16 October 2002.

Johnson, B., and Womack, J. 2001 “On Developing a Rational and User-Friendly Approach to Fishing Vessel Stability and Operational Guidance”, *Proceedings of the 5th International Workshop on Stability and Operational Safety of Ships*, Trieste, Italy, 11-13 September 2001.

Johnson, B. 2000 “Capsize Resistance and Survivability When Smaller Vessels Encounter Extreme Waves”, *Proceedings of the Rogue Wave 2000 Conference*, Brest France, 29-30 November 2000.

Johnson, B., 2000 “Developing the Foundation for an Interdisciplinary Approach to Improving Fishing Vessel Safety”, *Proceedings of the 1st IFISH Conference*, Woods Hole, October 25-27, 2000.

Schmiechen, M, and Johnson, B., 1998 “ The History and Recent Developments in the International Towing Tank Conference ITTC Symbols and Terminology List” *Proceedings of the First International Symposium on Maritime Terminology*, Brussels, Belgium, 16 May, 1998.

Johnson, B., E. Chapman, N. Anderson, 1996 ”Concerning the Electronic Distribution of ITTC Documents”, Vol. II, *Proceedings of the 21st ITTC*, Norway 1996.

Johnson, B., editor and publisher, “Version 1996 of the International Towing Tank Conference Symbols and Terminology List”. Distributed as an Acrobat .pdf format over the World Wide Web since 1996.

Mayer, R., and Johnson, B., 1996 “Integrated Design of an Offshore Structure Enhanced with Windows-based Spreadsheets “*ASEE Annual Conference Proceedings* June 1996.

Johnson, Bruce, 1995 "The Use of Windows-Based Spreadsheets to Teach Engineering Economics Concepts", Paper # 1639, *ASEE Annual Conference Proceedings*, June 1995.

Johnson, B. and Mayer, R., 1995 "On the Use of Windows-based Spreadsheets in Teaching Wave Mechanics and Design Project Decision Support Concepts to Ocean Engineering Students", Paper # 3478, *ASEE Annual Conference Proceedings*, June 1995.

Johnson, B., "Final Report and Recommendations to the 20th ITTC from the Symbols and Terminology Group", *Proceedings of the 20th International Towing Tank Conference* San Francisco, California September 19-25 1993.

Glinos, N. and B. Johnson, 1991 "A Review of Expert Systems for Marine Design and Ship Operations" invited paper presented at the World Congress on Expert Systems, Orlando, Fla., December 16-19, 1991.

Johnson, B. 1990 "On the Integration of CFD and CAD in Ship Design" (keynote address), *Proceedings of the International Symposium on CFD and CAD in Ship Design*, Wageningen, the Netherlands, September 1990, pp 3-22.

Johnson, B, N. Glinos, N. Anderson, D. McCallum, W. Beaver, and P. Fitzsimmons, 1990 "Data Base Systems for Hull Form Design", *Transactions of the Society of Naval Architects and Marine Engineers*, Volume 98, 1990.

Hays, B. Johnson, B, D. Kingsley and M. Meinhold, 1988 "Hydro-Numeric Design at the U.S. Naval Academy - An Integration of Design and Analysis Tools", SNAME Chesapeake Section paper presented 24 February 1988.

Duncan, L, Wallendorf and B. Johnson, 1987 "The Kinematics of Deep Water Breaking Waves", *Proceedings of the IAHR Seminar on Wave Analysis and Generation in Laboratory Basins*, Lausanne Switzerland, 1 September 1987.

Johnson, B. and S. Enzinger, "Inexpensive Side Beaches for Improving Calm Water Testing Efficiency", 1987 *Proceedings of the 18th International Towing Tank Conference*, 1987.

Hoyle, J., B. Cheng, B. Hays, B. Johnson, and B. Nehrling, 1986 "A Bulbous Bow Design Methodology for High-Speed Ships", *Transactions of the Society of Naval Architects and Marine Engineers*, Volume 94, 1986.

Johnson, B, L. Wallendorf and J. Dalzell, 1984 "On the Generation of Complex Periodic Waves", *Proceedings of the 17th International Towing Tank Conference*, 1984.

Salsich, J, B. Johnson and C. Holton, 1983 "A Transient Wave Generation Technique and Some Engineering Applications", *Proceedings of the 20th American Towing Tank Conference*, 1983.

Johnson, B and S. Takezawa, 1981 "A State-of-the-Art Review of Irregular Wave Generation and Analysis", *Proceedings of the 16th ITTC*, Leningrad, USSR September, 1981.

Johnson, B, Anderson, C, Clark, A, and Land, R 1980, "Single Pass Seakeeping Tests using the Periodic aIrregular Encountered Wave Technique", *Proceedings of the 19th American Towing Tank conference*, Ann Arbor, MI, July 1980.

- Johnson, B., and Nehrling, B., 1977, Editors: *Proceedings of the 18th American Towing Tank Conference*, Annapolis, MD., August 1977.
- Anderson, C., and Johnson, B., 1977 “An Algorithm for Predicting Breaking Waves in a Towing Tank”, *Proceedings of the 18th American Towing Tank Conference*, Annapolis, August, 1977.
- Anderson, C., and Johnson, B., 1977 “A Computer Controlled Wave Generation System for the U. S. Naval Academy”, *Proceedings of the 18th American Towing Tank Conference*, Annapolis, August, 1977.
- Compton, R., Johnson, B and Van Duyne, C., 1975 “Seakeeping and the Sailing Yachtsman”, *Proceedings of the 2nd Chesapeake Sailing Yacht Symposium*, Annapolis, 1975.
- Fisher, J., Johnson, B., and McCormick, M. E., 1974, “Time Dependent Shearing Stress beneath a Shoaling Wave”, *Proceedings of the International Symposium on Ocean Wave Measurement and Analysis*, New Orleans, September 9-11, 1974.
- Johnson, B., and Saylor, R, 1973 “An Attempt to Characterize the ‘Turbulence Burst Phenomena’”, *Proceedings of the Symposium on Turbulence measurements in Liquids*, Rolla, MO, 1973.
- Schroeder, F. J. and Johnson, B., 1971 “Design Summary of the USNA 380 Foot High Performance Towing Tank,” *Proceedings of the 16th ATTC*, Sao Paulo, Brazil, August 1971.
