LEADERSHIP OATH

Having been selected a member of the Plebe Summer Detail, do you swear (or affirm) that you will train the candidates who stand before you to the best of your ability; that you will develop them into basically trained Midshipmen who are smartly disciplined, morally sound, mentally and physically fit, and thoroughly indoctrinated in love of country and a sense of honor; that you will demand of them, and demonstrate by your own example, the highest standards of personal conduct, honor, morality, and professional skill; and that you will ensure that they are well-prepared to take their place as members of the Brigade at the conclusion of their training?

INTERNATIONAL OATH OF COMPLIANCE

Having been admitted as a Midshipman at the United States Naval Academy, do you swear (or affirm) to comply with all the regulations of the Academy, and do you take this obligation freely, without any mental reservation or purpose of evasion, so help you God?

OATH OF OFFICE

Having been appointed a Midshipman in the United States Navy, do you solemnly swear (or affirm) that you will support and defend the Constitution of the United States against all enemies, foreign and domestic; that you will bear true faith and allegiance to the same; that you take this obligation freely, without any mental reservation or purpose of evasion; and that you will well and faithfully discharge the duties of the office on which you are about to enter, so help you God?

NAVY BLUE AND GOLD

*Now, colleges from sea to sea
May sing of colors true;
But who has better right than we
To hoist a symbol hue?*

*For Sailors brave in battle fair,
Since fighting days of old,
Have proved the Sailor's right to wear
The Navy Blue and Gold.*
