

The USNA STEM OFFICE presents a

# SEAPERCH/NOAA OCEAN EXPLORATION WORKSHOP

**SATURDAY, FEBRUARY 23**

**0900-1600**

**U.S. Naval Academy**

**Rickover Hall R237B**

National Oceanic and Atmospheric Administration (NOAA)  
**Office of Ocean Exploration and Research**

Learn how to build a SeaPerch underwater robot to start a SeaPerch program in your classroom or after school program.

Participants will also learn how to use NOAA Ocean Exploration lessons and online resources related to the *Okeanos Explorer*, the only federal ship dedicated to exploring our largely unknown ocean. Topics include modern reasons for ocean exploration, and the technologies used to explore the deep ocean.
