

# SAFETY THROUGH SEAMANSHIP

or  
What small boats  
taught me about  
big ships . . .  
and vice versa

Rear Adm. Mark "Buz" Buzby  
United States Navy

***Respect the Sea***

***– Understand the Elements***

***Know your ship***

# *Damage Control - Help Yourself*

***Know who you are going to sea with***

***Cutting Corners  
- Risky Business  
at Sea!***

# *Son of Town Hall Crossing the Atlantic*

***Get your head***

***out of the  
box!***

*Use Nav aids  
**AND** eyes, ears  
and brains!*

***It's not corny to plan and drill...***

***it's professional!***

***Don't settle for minimums - especially if going offshore***

***Fire is your WORST enemy at sea***

***When in command – COMMAND!***
