

Student Quick Reference Guide

Access the Course Recordings

Follow the link below to go to the Tegrity site:

<http://hosting.tegrity.com?usna.edu>

Or you can access the Tegrity site via Blackboard if your instructor has created a Tegrity link there.

User your six digit Alpha number as both username and password (without the “m”) to login.

You will see the course – Computer Architecture and Organization – listed under “My courses.” Click on the course name, the classes recorded and published for this course are listed here, most recent recordings first.

Reviewing a Class Session

Each class has its own Play button.

To choose a starting point within the recording, click the Chapters button.

If your instructor enables it, you can subscribe to podcasts of class recordings.

To subscribe, click the button you want.

To download your notes for a specific recording, click the Notes button beside the class name.

To copy a recording to your local hard drive, click the Download button beside the class you want.

Then follow directions in the dialog box that appears.
