

Dear Parents of the Class of 2028,

On behalf of the United States Naval Academy Class of 2028, I am honored to welcome you to Annapolis for 2/C Parents' Weekend, taking place September 4th through 6th, 2026.

As we begin our second-class year, we reflect on how far we have come since I-Day. Over the past two years, we have been challenged morally, mentally, and physically. Through every challenge and every success, your support has remained constant. Whether through letters, phone calls, care packages, or words of encouragement, you have been our anchor. When the demands of the Academy tested us, your support kept us grounded and reminded us why we chose this path.

This year marks an important milestone for our class. As second-class midshipmen, we take on greater responsibility within the Brigade and have the privilege of helping develop those who follow behind us. The lessons we have learned over the past two years now guide how we lead and serve.

The Class of 2028 is guided by the motto, *Ut Mors Nos Accipiat Superba*—"That death may take us proud." To us, this serves as a reminder to live each day with honor, courage, and commitment and to conduct ourselves in a way that would make our families, classmates, and nation proud.

Throughout the weekend, we hope you'll take time to enjoy the history and tradition of the Naval Academy and the charm of Annapolis. Most importantly, we hope you'll share in the pride of how far your midshipman has come. Their accomplishments would not have been possible without your sacrifices and unwavering support. This weekend is as much a celebration of your commitment as it is of theirs. We look forward to welcoming you to Annapolis and sharing this special weekend with you.

GO NAVY!

Very respectfully,

MIDN Harrison M. Henry
2028 Class President
United States Naval Academy
