

National Conference on Undergraduate Research (NCUR) 2014

MIDN 1/C Samuel Peterson attended NCUR on April 3-5, 2014 at the University of Kentucky in Lexington, KY. He presented his research entitled "Identification of Synthetic Organic Pigments in Works of Art: Rothko and Red". His advisor is Prof. Joseph Lomax of the Chemistry Department. His travel was supported by the Office of Naval Research (ONR).
