USNA INSTRUCTION 1730.3A

From: Superintendent

Subj: NAVAL ACADEMY CHAPEL WEDDINGS

Encl: (1) Application for a Wedding Ceremony

1. **Purpose.** To provide the overarching policy for conducting weddings in the United States Naval Academy (USNA) Chapels.

2. **Cancellation.** USNAINST 1730.3

3. **Background.** The Naval Academy Chapels, including our Main Chapel, St. Andrew's Chapel, and Commodore Uriah P. Levy Center and Jewish Chapel, are historically and aesthetically unique as worship buildings in the armed forces. The Naval Academy supports each chapel's full utilization in support of its moral mission. Our chapels serve the needs of the Brigade of Midshipmen, the active duty military and civilian staff assigned to USNA, and active members of the Chapel Congregations.

   The Naval Academy Command Religious Program gives priority to the religious needs of midshipmen. Religious services for the midshipmen shall be given priority over any other use of a chapel.

4. **Discussion.** The Senior Chaplain is the Superintendent's authorized representative in the planning, implementation and supervision of the religious ministries program. The Senior Chaplain is charged with overall responsibility for scheduling the use of the Naval Academy Chapels including religious services.

   Chaplains assigned to the Naval Academy shall typically officiate at regularly scheduled weekly religious services. Special services, such as weddings, will be regularly officiated by Chaplains and clergy invited and approved by the Naval Academy. While performing wedding ceremonies is a duty of assigned Naval Academy Chaplains, it is only one of many duties assigned. Naval Academy Chaplains are fully committed to their regular duties to the Brigade, faculty and staff. It is unreasonable for them to substantially divert their limited resource of time from the very constituents they are called to serve. Therefore, in order to meet the demand for wedding ceremonies performed at Naval Academy Chapels, it is necessary to develop a cadre of local ministers/clergy to support wedding ceremonies. This cadre is to be identified, trained, indoctrinated, and remunerated as appropriate. A list of these trained and authorized clergy is maintained by the Chaplain Center.

   Christian weddings are celebrated in the Main Chapel by duly ordained and endorsed Christian Chaplains or clergy. The Levy Chapel is restricted to Jewish weddings celebrated by duly ordained and endorsed Rabbis.

   When clergy are related to the family for whom the service is being provided, or for additional reasons approved by the Senior Chaplain, they may be invited to officiate. All clergy participating in services at the Naval Academy shall receive training prior to officiating services. Additionally, in all such cases, a representative of the Naval Academy shall exercise control over all aspects of the ceremony except for the religious content. All clergy must complete the wedding service within the allotted 30 minute window to preclude impacting subsequent ceremonies. All fees associated with civilian clergy are the responsibility of the couple and remuneration must be made directly by them.

5. **Eligibility.** The following persons are eligible for use of the Naval Academy Chapels for weddings:
USNAINST 1730.3A

29 NOV 2007

a. Primary Group. The following can confirm a date 12 months in advance of the wedding. They are listed in order of priority.

(1) All Naval Academy alumni.

(2) All active duty military personnel currently assigned to the Naval Academy; Naval Support Activity, Annapolis; and Naval Medical Clinic, Annapolis; and their children residing with them.

(3) All faculty and staff (GS and FWS) currently assigned to the Naval Academy; Naval Support Activity, Annapolis; and Naval Medical Clinic, Annapolis; and their children residing with them.

b. Secondary Group. Current active USNA Chapel Congregants, as defined by the Chaplain of their respective community, can confirm a date nine months in advance of the wedding. Prior to this they can be pre-empted by the Primary Group.

c. Renewal of Vows. The following group can confirm a date six months in advance for renewal of wedding vows.

(1) Based on the same priority of groups listed in 4a and 4b above, personnel who were originally married at one of the Naval Academy Chapels are permitted to submit a one-time request for renewal of wedding vows at or after their 25th wedding anniversary.

(2) This group can be preempted by Primary and Secondary groups up to six months prior to the date requested.

d. Delegation. The Senior Chaplain is delegated the authority to grant any exception to the eligibility requirements, keeping the Superintendent informed.

6. Procedures

a. Requests for use of a Naval Academy Chapel for weddings shall be made on the United States Naval Academy Wedding Application Form provided by the Chaplain Center. Reservations shall be considered firm only when an approved Wedding Application Form is on file with the Wedding Coordinator and a signed letter is returned to the applicant confirming the date and time. Cancellations must be made in writing.

b. The couple shall present a valid State of Maryland wedding license, prior to the wedding, to be signed by the officiating clergy. If the couple has already been married to their current spouse in either a Civil or Religious ceremony, they cannot be remarried (have a second wedding ceremony) in any Naval Academy Chapel. Therefore, prior to the wedding ceremony they must present to the Chaplain or clergy an unsigned wedding license.

c. Eligibility for use of a Naval Academy Chapel does not obligate a Naval Academy Chaplain to officiate at the service. Chaplains officiate in accordance with the dictates of their respective faith group. If a Chaplain is not available to perform the ceremony, the couple is responsible to procure and remunerate an approved clergy on their own.

d. The Command Religious Program shall not be responsible for preparing, ordering, or printing programs or bulletins for weddings or any other special Chapel event other than regularly scheduled religious services.

e. Couples will contact the USNA Music Department at 410-293-1257 if they intend to include music in their wedding service and will directly remunerate the musician.
f. The wedding couple must provide evidence of pre-marriage counseling to the Wedding Coordinator prior to the wedding. This pre-marriage counseling should meet the faith group requirements of the Chaplain or clergy performing the ceremony. This requirement does not obligate the Naval Academy Chaplains to provide the pre-marriage counseling.

g. Weddings are considered to be religious sacraments, rites or ceremonies. No civil ceremonies will be conducted in USNA Chapels.
