I-DAY

On June 27, 2019, we welcomed 1,181 young men and women to the U.S. Naval Academy as the incoming Class of 2023. This Induction Day (I-Day) marked the beginning of Plebe Summer, the military indoctrination and training period that helps new Midshipmen Candidates develop morally, mentally, and physically, which serves as the foundation to military life. I-Day 2019 was a momentous occasion that honored the tradition of the Academy, in addition to the young men, women, and their families, as they committed to beginning the journey of navigating their future as our next generation of leaders.

UNITED STATES NAVAL ACADEMY

To develop midshipmen morally, mentally and physically and to imbue them with the highest ideals of duty, honor and loyalty in order to graduate leaders who are dedicated to a career of naval service and potential for future development in mind and character to assume the highest responsibilities of command, citizenship and government.
