

COVID-19 Vaccination Policy

Effective immediately, students participating in Office of Admissions sponsored outreach programs at USNA will no longer be required to be vaccinated against the COVID-19 virus. This includes Candidate Visit Weekends, Summer STEM, Day Tours and Summer Seminar. The change in policy follows rescinding of DOD policy regarding the immunization requirement for active duty service members, as well as a comprehensive review of USNA's policy regarding the COVID-19 vaccination. We look forward to seeing everyone on campus in the coming months!
