Home Educators Association of Virginia

Dear Director of Admissions:

The Home Educators Association of Virginia invites you to attend the 2016 College Fair, to be held at the 33rd Annual Virginia Homeschool Convention at the Greater Richmond Convention Center on June 9-11, 2016. Due to the overwhelmingly positive response to our 2015 College Fair, we have expanded this year's fair to include 20 colleges and universities over a two-day period. The schedule is as follows:

- College Fair Panel Discussion: June 10, from 10:30 a.m. to 11:30 a.m.
- College Fair: Friday, June 10, from 1 p.m. to 5 p.m.
- College Fair: Saturday, June 11, from 8 a.m. to noon

The cost is \$50 for one day or \$75 for both days. This fee includes a six-foot table and two chairs. You are welcome to set up your display and pass out materials, handouts, or freebies (pens, pencils, T-shirts, bags, etc.) **Each college or university may choose to attend one or both days of the College Fair, and may choose to participate in the College Panel Discussion on Friday morning.**

This year, the College Fair will be held in the main hallway of the convention center, a well-traveled hallway just outside the entrances to the Exhibit Hall, the Children's Program, and the Used Curriculum Sale. The convention draws more than 13,000 attendees, with our highest attendance on Friday. On Saturday, approximately 200 graduates and their families will be in attendance, both for check-in and for the ceremony. The convention will provide a great deal of exposure to your college or university. If you attended the 2015 College Fair, please be aware that the attendance for the convention on Thursday is a fraction of the number of people in attendance on Friday and Saturday.

Please complete the registration form and submit it with your payment. Upon receipt, you will receive a confirmation e-mail, and a table will be held for you. The 20 available spaces will fill on a first-come, first-served basis. The 2015 College Fair filled up quickly, so we recommend that you register early. If you know of other colleges or universities that would like to participate, please feel free to forward my e-mail address to them so they may contact me to receive an invitation to attend.

If you have any questions, please contact me by e-mail (collegefair@heav.org) or telephone (804-285-7997). I will be happy to answer any questions you may have.

We hope you will be able to attend the 2016 College Fair. Thank you for your support, and we look forward to hearing from you.

Very sincerely,

Pam Proffitt
College Fair Coordinator
