

## STUDENT SELECTION

Applications will be available on **January 13, 2016** (1:00 p.m. EST) at [www.usna.edu/admissions/NASS](http://www.usna.edu/admissions/NASS). Selection is based in large part on ensuring geographic representation from the entire country along with overall accomplishments in and out of the classroom. All applicants will be

notified of their status via email no later than April 15. Due to the limited space available in each session, many interested young men and women are not selected to participate in Summer Seminar. Students who are not selected for the summer program are strongly encouraged to continue the USNA application process.

## TUITION & TRAVEL

The tuition to attend a session is \$450.00, which includes room, board, program materials, and clothing. Some scholarships are available based on the financial need of the selectee. You can inquire about scholarships after being selected for the program. You should plan on bringing extra money for snacks and souvenirs.

Each student is responsible for arranging their own transportation. Those flying commercial air should arrive at Baltimore-Washington International Airport (BWI) between 9 a.m. and 3:30 p.m. on Day 1 of the seminar. Departure flights should be scheduled no earlier than 3:00 p.m. on the last day of the seminar. Naval Academy buses and midshipmen escorts will be on hand to get you to and from the Academy and BWI.

# SUMMER SEMINAR 2016

**“ONCE YOU ACCEPT YOUR LIMITS,  
YOU GO BEYOND THEM.”**

- EINSTEIN

The United States Naval Academy offers opportunities to challenge your limits. Consider attending one week in June at the United States Naval Academy’s Summer Seminar. This fast-paced, six-day experience will take you beyond anything you have ever done before.

## BEYOND THE ORDINARY.

### SUMMER SEMINAR

The United States Naval Academy Summer Seminar offers the opportunity for rising high school seniors to visit the Naval Academy for one week during the summer. Students will experience all aspects of the Naval Academy including the academic program and midshipman life.

Furthermore, students will receive an overview of Navy and Marine Corps service options. If you think that you are interested in pursuing an appointment to one of the nation’s service academies and serving your country as an officer, you should seriously consider attending the Naval Academy’s Summer Seminar.

**2016 SESSION DATES**  
**JUNE | 4-9 | 11-16 | 18-23**  
[HTTP://WWW.USNA.EDU/ADMISSIONS/PROGRAMS/NASS/](http://www.usna.edu/admissions/programs/nass/)

### BASIC ELIGIBILITY

The Naval Academy Summer Seminar Program is offered exclusively to young men and women who have just completed their junior year of high school.

THE FOLLOWING GENERAL SELECTION CRITERIA ARE CONSIDERED:

- Academic performance (grades, class rank, etc.)
- Demonstrated achievement in leadership, athletics, and extracurricular activities
- Positive attitude, self-discipline, good moral character
- Physical fitness and good health
- Geography

### PROGRAM ACTIVITIES

During the six-day session, you will become a part of the Academy. You will live in Bancroft Hall (the dormitory all Academy midshipmen live in), eat in the dining hall, participate in academic and leadership workshops and experience a variety of other activities on the campus. You will have an opportunity to see firsthand what the Academy has to offer through its exceptional academic, athletic, extracurricular activities and leadership training programs.

The Naval Academy Summer Seminar has an academic focus. Each student attends a variety of academic workshops.

#### WORKSHOP TOPICS INCLUDE:

Information Technology, Topics in Math, Meteorology & Oceanography, Robotics, Computers & Naval Weapons Systems, Electrical & Biometrics Engineering, Ship Behavior in Waves, Ocean Engineering, Cyber Operations, Mechanical Engineering, Aeronautical Engineering, Astronautical Engineering, Chemistry of Photography, Chemistry, Foreign Languages, History, Political Science, Introduction to Literature, Economics, Physics, Character Development Seminars, Martial Arts, Seamanship and Navigation, Nuclear Engineering.
