

United States Naval Academy Summer Seminar Program

Attendance Instructions

MEDICAL INFORMATION

Patients who require emergency care or hospitalization will be taken to Anne Arundel Medical Center (located in Annapolis). Non-emergency patients will be taken to the RightTime Medical Clinic. All students are required to complete a Consent to Treat form and Medical Insurance Information form prior to attending Summer Seminar. This form, signed by a parent or guardian, ensures that we can provide care to your student. Students selected for Summer Seminar will not be allowed to check-in if this form is not completed and returned to nassforms@usna.edu.

During Summer Seminar, the Naval Academy will immediately contact an attendee's parents/guardians in the event of a medical emergency. Students who do not possess medical insurance **MUST** obtain short-term coverage from their local insurance provider for the dates of their Summer Seminar participation. Short term policies may be purchased online through a number of providers. One example is: (<https://www.uhone.com/insurance/short-term>).

Medical care cannot be provided for chronic or recurring illnesses such as diabetes, asthma, allergies, etc., nor can routine dental care be provided. Additionally, due to family-style food service, we are unable to accommodate dietary restrictions (gluten intolerance, vegetarian, vegan). Therefore, individuals with such medical problems or dietary restrictions should not attend the Summer Seminar program. If your child arrives with an undisclosed medical condition (broken foot, etc.) they will be sent home. The program is physical in nature and there is a great deal of walking, so students who are unable to participate physically will not be allowed to attend.

PHYSICAL TRAINING

You should be in good physical condition and prepared to participate in daily rigorous physical training. This will involve stretching, push-ups, sit-ups, group runs of at least 1 mile, and other conditioning exercises. It is important to have properly fitted running shoes. You should acclimate your body by increasing your daily intake of water prior to arriving. If you have questions or concerns regarding your physical aptitude for the Summer Seminar activities, please consult your family physician. **All participants will take the Naval Academy's Candidate Fitness Assessment (CFA) that will be used in the admissions process.** The CFA will be conducted on **Sunday**. For more information on the CFA, visit the admissions web site at <https://www.usna.edu/Admissions/Candidate-Fitness-Assessment.php>. You should practice these exercises prior to your arrival at USNA.

TRANSPORTATION TO THE NAVAL ACADEMY

Participants in Summer Seminar are responsible for arranging and financing their own transportation to and from the Naval Academy.

Maps/directions to the Naval Academy are available on the web site, <http://www.usna.edu/Visit/>.

AIR: To assist those flying to the **Baltimore-Washington International Airport (BWI)**, transportation to the Naval Academy will be provided on a regular basis from 9:00 a.m. to approximately 4:00 p.m. on the first day of the program. Midshipmen will be available near the baggage pickup area to coordinate transportation arrangements. DO NOT schedule airline arrivals after 4:00 p.m. **If a problem arises and you must arrive after 4:00 p.m., please email the NASS Officer in Charge at nassoic@usna.edu and provide your name and your flight itinerary.** Students arriving outside of our pickup times should make arrangements for transport from the airport to the Naval Academy Gate 1. Some examples of service providers are [GO Airport Shuttle](#), [EZ Connect Shuttle](#), and [Annapolis Taxi Service](#) (though USNA does not endorse or promote any of these services.)

Additionally, USNA transportation will only be provided from BWI. Students who fly into other airports must arrange their own transportation to the Academy regardless of time of arrival.

AUTOMOBILES: Due to the Naval Academy's heightened security posture, if you are planning to drive onto the Academy for drop-off/pick-up, you must bring your original acceptance letter along with a photo ID. Your original acceptance letter will only allow you to drop-off/pick-up and you will not be allowed to park on the Naval Academy grounds. If you are driving, we recommend that you arrive no earlier than 1:00 p.m. and that you eat lunch prior to your arrival. You may also access USNA by walking through the Visitors Access Center at Gate 1.

If you have any issues on this day of travel, please call **(443) 223-4951**.

If you, the student, are going to drive yourself to the Academy and need a place to park your car for the duration of the week, please contact us at summerseminar@usna.edu and provide your name, session attending, car year, make, model, and license plate number. Please put in subject line "NASS Vehicle Access." This option is not preferred as parking is very limited on Academy grounds.

CHECK-IN AND REGISTRATION

You may report to Dahlgren Hall between 11:00 a.m. and 4:30 p.m. on the first day of your visit. We recommend that you arrive after 1:00 p.m. if possible (especially those who are driving). Students who arrive early will have an opportunity to play intramural sports, however some students have mentioned in the past that they do not enjoy playing intramurals from 11:00 a.m. to 5:00 p.m. Check-in and room assignment will not be made prior to 11:00 a.m. The first scheduled event will be formation at 4:45 p.m. on Day 1. In the event that you must arrive after 4:45 p.m., report to the Main Office in Bancroft Hall. Cell phones are allowed, but may not be used during scheduled activities. Please be aware that the reception is poor in many areas of the Academy. Personal property (including cell phones) is the responsibility of the student and the Naval Academy will not be held responsible for lost, damaged or stolen items.

DEPARTURE

The seminar concludes at approximately 11:00 a.m. on the Thursday of your visit following the awards ceremony. The ceremony is not intended as a “must-see” for parents and family, though your attendance is welcomed—it is simply a wrap-up of the week for the students. Naval Academy buses depart USNA at 11:15 a.m. for BWI Airport. **DO NOT** schedule airline departures earlier than 3:00 p.m. **Buses will not be provided for Washington Reagan or Dulles Airports.** Individuals waiting to be picked up should use Alumni Hall as a meeting place. Participants are not authorized to stay in Bancroft Hall after 1:00 p.m. on Thursday.

PARENTS' PROGRAM

Parents and guardians who accompany their NASS attendees on check-in day may have the opportunity to meet with members of the Office of Admissions during check-in, as well as attend an optional Parent Panel.

Parents and guardians who accompany their NASS attendee on check-out day have the opportunity to attend several information presentations to include a U.S. Navy and U.S. Marine Corps Career Options Presentation, Individual Q&A session, and NASS awards ceremony. The first presentation commences promptly at 8:30 a.m. in Alumni Hall and the closing ceremonies commence at 10:00 a.m. also in Alumni Hall.

These events are by no means mandatory and are designed to provide a small glimpse into the Naval Academy for parents.
