

Students participating in either of our residential programs, Summer Seminar or STEM Camp, in 2022 must be fully vaccinated from COVID-19 (note 1), and will be required to complete DD Form 3150 ([DD Form 3150 Certification of Vaccination](#)) to certify vaccination status in accordance with current U. S. Naval Academy guidance. This form is required at check-in for both programs and must be retained by the visitor at all times while on the Yard. USNA will monitor the COVID-19 situation and will provide updates as necessary.

Note 1: Fully vaccinated is defined as 14 days after the completion of the final dosage of COVID-19 vaccine.
