USNA High School Application Instructions

High School Name:

1. Select the name of your High School. You must use the "Select From List" link. See picture below.

2. A pop up window will be generated by clicking "Select From List". If the search box does not appear, ensure pop-ups are allowed on your computer.

If you are still having problems, search for your school using the ACT Website [http://www.actstudent.org/regist/lookuphs.html](http://www.actstudent.org/regist/lookuphs.html)

Search again using the city as listed on the ACT website.

5. **Overseas DOD School Students**: Search for your school using the ACT Website [http://www.actstudent.org/regist/lookuphs.html](http://www.actstudent.org/regist/lookuphs.html)

Use the city listed on the ACT website for your school. This is often APO AE or the city name of the DOD school.

If you do not find your high school in the provided list, send an e-mail to webmail@usna.edu providing your name, high school name, city, state, and ETS code (if known) for assistance.
