The candidate should provide information that will allow the committee to evaluate their ability to inspire Midshipmen to high levels of academic accomplishment, their improvement of teaching materials and methods, and their involvement in academic mentoring and advising of Midshipmen. The following sections should be addressed in the candidate's statement and should provide evidence of the candidate's contributions to the academic, professional, and moral development of midshipmen, reflecting the highest principles of excellence in education. Samples of evidence to support the candidate's statements can be included and referenced as appendices.

6 Provide a teaching statement. This can include a teaching philosophy and/or description of the candidate's approach to teaching. Please include reflections that help explain, contextualize, and highlight information related to the candidate's ability to inspire midshipmen to high levels of academic accomplishment, their improvement of teaching materials and methods, and their involvement in academic mentoring and advising of midshipmen. If relevant, reflections on SOFs or other sources of student input should be included.

7 Provide a summary of the candidate's teaching ability, as evidenced by the vitality of classroom presentation, the thoroughness of preparation, the interest in students, the capacity to impart knowledge and evoke response. This section can include descriptions of personal attributes, such as cooperation, initiative, and integrity.

8 Provide discussion and evidence of the candidate's efforts in improving pedagogy and/or the breadth of courses taught. For example, the improvement of teaching material and methods, such as the development of new texts, courses, exercises, techniques of instruction or other classroom innovations, etc., can be used to support pedagogy efforts and course summary descriptions can be used to provide evidence of breadth of courses taught.

9 Provide discussion and evidence of participation in academically oriented activities, as evinced, for example, by Midshipmen research activities and academic counseling.

10 List participation in Midshipmen activities, such as service as officer representative, etc. and, where relevant, provide a brief description of the level of involvement.

11 Describe the nominee's contribution to the overall USNA mission, such as service on functional committees and in other capacities that enhance the functioning and image of the Naval Academy.

12 If the nominee is selected, a statement for the award selection announcement will need to be submitted (limit to 200 words).

13 In addition to the package addressing the topics above, the nomination packet should include a brief course by course summary or teaching reflection along with one copy of all student evaluations for the past six semesters and a photograph of the nominee.

14 Teaching Portfolios are allowed but not required. Limited to a single binder or equivalent.
