2. Cancellation. COMDTMIDNINST 1500.1P.

3. Scope and Applicability. All personnel assigned to the U.S. Naval Academy (USNA) shall familiarize themselves with the Company Wardroom Program regulations and policies listed in references (a) through (d).

4. Information. Wardroom spaces have been established in each Company area for academic, professional, and social purposes. Funds for furnishing and maintaining these spaces are obtained from donations by sponsoring Alumni, wardroom dues, and other contributions by individual or group donations.

5. Discussion

   a. Company wardrooms are meant to serve as a common space for upper-class midshipmen to relax and study; use of wardrooms for 3/C and 4/C Midshipmen is detailed in reference (a).

   b. Wardrooms are high-usage spaces that require all users to actively promote upkeep. The responsibilities for care, maintenance, and discipline within the wardroom remain with the 1/C Midshipmen at all times.

   c. Major repairs or renovations including painting shall be approved in writing by the
Bancroft Hall First Lieutenant (1st LT).

d. Company wardrooms will be inspected regularly by Company Commanders and will be closed for use in the event the space is untidy or unsanitary. Once closed, the wardroom will not be reopened for use until approved by the Company Officer.

6. Coffee Mess and Wardroom Store. Companies may establish one coffee mess and wardroom store located in the Company wardroom or as designated by the Company Officer. The mess will be for midshipmen wardroom members and may include Keurig machines and microwaves. Toasters, grills, and other equipment used in the preparation of any food are prohibited.

Note: Tobacco and vaping products are prohibited.

7. Administration of Wardrooms

a. A Wardroom Representative, approved by the Company Officer, shall be responsible for the administration of each Wardroom.

(1) Wardroom Representatives may establish policies for use and maintenance of the Company wardrooms per reference (a) endorsed by Company Commanders. Such policies and procedures must be promulgated within the Company and shall be maintained in writing in the wardroom, either posted or in a binder.

(2) Wardroom Representatives shall familiarize themselves with reference (b) and follow all financial guidance therein. They shall maintain a ledger of accounts for the Company and complete monthly book checks with Midshipmen Welfare Fund (MWF). These records shall be maintained in both a binder and in Google Shared Drive. Financial training for on-coming Wardroom Representatives is provided by the MWF Office during both Fall and Spring Reform. Access to wardroom accounts will not be granted until said training and associated procurement authorization form are completed and satisfactory records maintenance in both binder and Google Shared Drive are verified.

(3) Funds provided by a sponsoring alumnus or class shall be donated through the U.S. Naval Academy Comptroller’s Gift Fund Division. Gifts properly accepted by the Superintendent will be forwarded to the MWF for issue per reference (b). Sponsor account funds must be used only to acquire furniture, decorations, and other permanent items to the wardroom. Each acquisition shall be approved by the Company Officer and by the Bancroft Hall 1st LT for compliance with fire and building codes.

(4) Dues may be collected from wardroom members, however, it is specifically prohibited to collect dues or assess a person who does not use the wardroom. Dues and other transitory funds, such as coffee, soft drink, and food will be turned in to the MWF Office per reference (b). These funds shall be maintained in a general account and may be used to buy consumable supplies for the operation of the coffee or soft drink messes, and to purchase permanent furniture or decorations for the wardrooms. In the case of the acquisition of inventory items, these items become the property of the wardroom and shall remain therein after purchase.
Note: Inventory items are considered individual items valued at $1,000 or more and shall have an inventory sticker provided by the ECAO.

(5) Wardroom funds shall not be used to purchase gifts or awards such as for departing Company Officers and Senior Enlisted Leaders, or for midshipmen service assignments.

(6) Enclosure (1) shall be completed in conjunction with the Wardroom Representative turnover. The Company Wardroom Representative shall conduct turnover prior to the 3rd Monday in April and is responsible for accurate and prompt routing of the Wardroom Inventory Report Form.

(7) The Company Commander shall verify any alumni sponsorships with the MWF Office and ensure positive communication with sponsors.

(8) DVD players, video game consoles, surround sound systems, or any other piece of entertainment equipment in Company wardrooms are not supported by appropriated funds. Each wardroom is responsible for the replacement and repair of its entertainment equipment; MWF maintains a fund to assist wardrooms in replacing televisions, sofas, microwaves, and refrigerators. To access those funds, Wardroom Representatives shall route a chit outlining the need.

(9) Dining Ins and Outs shall be approved by Commandant Operations prior to formal scheduling and expenditure of funds by MWF. Further guidance is enclosed in references (b) and (c).

b. The following items are prohibited in Company wardrooms:

(1) Food requiring preparation except those items to be prepared in microwave ovens.

(2) Hot plates, toasters, blenders, or other similar food processing equipment.
