1. Purpose. To detail the policy, procedures, and reports applicable to all Extracurricular Activities (ECAs). Enclosures (1) through (6) are germane.

2. Cancellation. COMDTMIDNINST 1710.14Q.

3. Scope and Applicability. All personnel assigned to the U.S. Naval Academy (USNA), contract support staff, and ECA volunteers shall familiarize themselves with the USNA ECAs regulations and policies listed in references (a) through (l).

4. Action. All ECAs will comply with the provisions listed herein.

5. Information. ECAs are those activities determined to add benefit to the Brigade of Midshipmen, the USNA, or the U.S. Navy. They are established to provide midshipmen leadership opportunities, and some are charged with carrying out official functions on behalf of the Superintendent, Commandant of Midshipmen, and the USNA in order to support the mission.

a. Participation in every ECA is voluntary and must complement, but not interfere with the fundamental requirements and routines of the Brigade. Special procedures permitting deviations from normal routine of the Brigade may be authorized on a case-by-case basis.

b. Brigade Support Activities (BSAs) are specific ECAs defined as those organizations whose existence is of special importance to the USNA due to their representational value. BSAs retain higher status on the Table of Priorities in reference (c) and eligibility requirements per reference (b).

6. Responsibility. The Commandant of Midshipmen is responsible for all ECAs. The Extracurricular Activities Officer (ECAO) will act for the Commandant of Midshipmen on all matters of routine administration of ECAs. A commissioned or non-commissioned officer attached to the USNA will act as the “Officer Representative” (O-Rep) or “Enlisted Representative” (E-Rep) for each ECA. Officer/Enlisted Representatives will abide by policies and procedures set forth in reference (a). The ECAO will appoint one ECA President as the “ECA Commander” who will liaise with all other ECA Presidents in matters of ECA administration and operations.

## 7. Rules and Regulations

a. Membership and Participation. Company Officers will grant final approval of membership and participation in ECAs based on a midshipman’s academic, professional, and physical education performance records per references (b) and (c). In general, Plebes will be limited to two organizations and upper-class midshipmen will be limited to three organizations. Exceptions to the limitation may be extended to those midshipmen on the Superintendent’s, Commandant’s, or Dean’s List, or as deemed appropriate by the Company Officer.

**Note:** Religious ECAs do not count toward a midshipman’s total.

b. ECAs shall meet during designated times per reference (c). Any special requests to meet outside of these times must be approved by the Commandant’s Operations Office.

c. Volunteers. All non-USNA volunteers are subject to a background check in accordance with applicable USNA directives. They shall submit a DD 2793 – Volunteer Agreement Form and Volunteer Application Form to the ECAO, as applicable. Upon conclusion of the volunteer’s service, they shall sign blocks 13 through 15 to terminate the existing agreement. DD 2793 may be terminated at any time.

d. Rosters. The O-Rep of each activity shall ensure the ECA President has input the organization’s roster into the MIDS database no later than a month following the return of the Brigade. Rosters are to be verified and updated on a monthly basis in the MIDS. Failure to verify rosters for two consecutive months may result in disestablishment of that ECA.

e. Size Restrictions. Organizations may be authorized to restrict the size of membership for reasons such as the nature of the club activities or available facilities; however, any restriction to membership must be approved by the Commandant of Midshipmen via the ECAO. All requests shall be submitted in writing as a supplementary action memo to the group's Turnover Report. All requests shall be reviewed annually at the Spring ECA Board.

f. Intramural Exemptions. A listing of in-season periods, sizes, and drill exemption total for Naval Academy Athletic Association, ECAs, and MAs are listed in reference (d). All ECA intramural exemption requests, including those previously exempt, shall be submitted annually in writing as a supplementary action memo to the group's Turnover Report for the next Academic Year. All requests shall be reviewed annually at the Spring ECA Board.

g. Guest Speakers. Requests shall be submitted per reference (f) prior to any invitation. Civilian Distinguished Visitors and O-6 and above requires the Commandant of Midshipmen's approval; high visibility guests and VIPs require approval from the Superintendent per reference (g). Invitations to visiting and/or guest speakers will be restricted to authorized times per reference (f).

h. Non-Academy Affiliations. Midshipmen shall not organize any form of local entertainment or amusement, nor affiliate themselves with any fraternal or secret association within or outside of the USNA without specific approval from the Commandant of Midshipmen. Any midshipman who is approached by a fraternal or secret association will report the matter immediately to their Company Officer.

i. Fundraising and Gifts acceptance procedures must be followed per reference (h).

j. Gratuity. Midshipmen shall not accept any gratuity as a result of ECA participation.

k. Constitution and By-Laws. All ECAs shall receive official recognition authorization for their existence from the constitution and By-Laws approved by the Operations Officer (OPSO).

l. Turnover Report:

(a) The ECAO shall review Turnover Reports for each ECA. Organizations shall complete and submit Turnover Reports **no earlier than the week following Winter Break and no later than the first Monday in April**. The proper format for the Turnover Report and its enclosures are contained in enclosures (1) through (5); electronic copies are available on the ECA intranet page. All contents of the report will be reviewed annually at the Spring ECA Board.

(b) Those ECAs following reference (j) shall submit a president's letter of relief, enclosure (4), to the ECAO prior to 1 December.

m. New ECAs. A request for a new ECA shall be made in writing to the Commandant of Midshipmen via the ECAO and the OPSO by the **third Friday in April** each year. Requests are reviewed annually at the Spring ECA Board by the ECAO, OPSO, and the Commandant of Midshipmen. Requests shall follow the format in enclosure (6).

AUG 03 2021

n. Suspension. Organizations in a suspended status shall not meet as a group, travel, conduct any business, hold team practices, scrimmages, or games and any pending Movement Orders (MO) shall be denied. Suspended organizations shall only be allowed to meet to complete required paperwork that is due during their suspended status. Any two suspensions within one academic year will add an additional 12-month suspension. An organization may be suspended for any of the following reasons:

(1) Failure to represent the USNA in a good light while on MO per reference (b). Reasons include but are not limited to, being unprofessional, having members out of proper uniform, or alcohol incidents.

(2) Failure to turn-in required reports on time, such as turnover reports and inventory reports.

(3) Failure to follow invitation guidelines per reference (f) for guest speakers or visitors.

(4) Failure to have a Commandant-assigned O-Rep. Organizations without an O-Rep shall only be removed from suspended status when they have an O-Rep approved by the Commandant of Midshipmen. Not having an O-Rep will not count toward the two suspensions in one Academic Year.

(5) At the discretion of the Commandant of Midshipmen, as recommended by the OPSO.

o. Disestablishment.

(1) The Commandant of Midshipmen may direct disestablishment if membership drops below 20, the ECA fails to submit required reports, or upon indications that the ECA is inactive.

(2) A request for ECA disestablishment shall be made in writing to the Commandant of Midshipmen via the ECAO and the OPSO. A disestablished ECA may not be reactivated until the start of the Academic Year, two years following the disestablished date.

p. Championships. Request to participate in National Championship events will be considered case by case.

(1) Factors that affect approval of championship events for ECAs are academic commitments, other military obligations, number of days requested to be absent from the USNA, and type of championship.

(2) Requests to participate in ECA championships shall be submitted to the ECAO no later than the start of each semester. Procedures are outlined in reference (d). Approval may be rescinded at any time, if deemed necessary.

## 8. Facilities

a. Assignment. A space is assigned through the ECAO by the OPSO. Organizations requiring additional space or modifications to existing spaces shall submit requests in writing to

AUG 03 2021

the 1st Lieutenant (1<sup>st</sup> LT) via the ECAO. Each space shall have a door tag, which can be obtained by submitting a written request to the 1<sup>st</sup> LT or having one made at the Midshipmen Store. These spaces are to be used for official ECA activities only. The 1<sup>st</sup> LT will change cipher lock combinations following Commissioning Week but no later than the second week of June and the ECAO shall provide new combinations to organizational leadership and those authorized access during summer months.

b. Access. Only midshipmen who are listed on the membership roster in MIDS are authorized access to the assigned spaces. Spaces shall only be used during authorized times. Whenever the assigned space is to be left unoccupied, it shall be secured. Key or cipher lock combinations to each space shall be turned over from one president to the next. The current president shall be responsible for the distribution and control of keys and cipher lock combinations. Combinations shall only be given out to ECA O-Reps, E-Reps, and ECA Midshipmen Officers.

c. Turnover Action. Upon turnover, the outgoing president will secure spaces and turn all keys over to the oncoming president. The outgoing president shall list midshipmen, including email addresses, requiring access to spaces during holidays. Lock replacement and duplicate key requests shall be submitted by written request to the 1<sup>st</sup> LT via the O-Rep and the ECAO. Costs for these services will be charged to the organization.

d. Cleanliness. All spaces shall be clean and orderly. **Personal clothing or equipment shall not be left in assigned spaces at any time.** Failure to maintain spaces may result in the forfeiture of space ownership.

(1) O-Reps shall inspect spaces on a monthly basis and provide a report to the ECAO. The ECAO shall inspect spaces quarterly, and the OPSO and 1<sup>st</sup> LT shall inspect spaces semi-annually.

(2) All spaces shall conduct an alpha inspection with the OPSO, ECAO, and 1<sup>st</sup> LT during the final week of April.

Any other method of voting must be approved by the OPSO.

b. Due to their nature, the following organizations have continuing permission from the OPSO to appoint a president and/or other officials without an election. Notification of a new president should be made to the ECAO via a modified version of enclosure (3).

(1) Religious ECAs

(2) Organizations whose officers hold striper positions (designated via striper selection process)

c. Presidents should be a rising 1/C Midshipman whose performance is satisfactory across all areas. An ECA without a rising 1/C Midshipman who are qualified and/or willing to hold the position, may have an underclassman serve as president.

d. The final approval authority for ECA Presidents is the Commandant of Midshipmen. The ECAO will present a consolidated list of ECA Presidents for their approval annually at the Spring ECA Board.

e. All election procedures shall be delineated in the organization's Constitution and By-Laws or have prior approval of the OPSO, with the exception of those listed in paragraph 9.b above.

The fall inventory shall be submitted before the **second Monday in November** and the spring inventory shall be conducted jointly by the incoming and outgoing Presidents, as part of their turnover process, and submitted in conjunction with the Turnover Report by **no earlier than the week following Winter Break and no later than the first Monday in April**.
