2. Cancellation. COMDTMIDNINST 5400.6W.

3. Scope and Applicability. This instruction is published for the information and compliance of the Brigade of Midshipmen and all personnel subordinate to the Commandant of Midshipmen.

   b. Nothing in these regulations should be construed as taking priority over sound judgement or doing the right thing. Situations may arise where good judgement will be necessary and will, in fact, be the only guiding regulation. Midshipmen are expected to conduct themselves in accordance with Navy core values in these situations.

   c. These regulations apply at all times. Midshipmen are required to comply with the requirements set forth in this instruction year-round, to include summer training periods and the academic year. Regulations pertaining to midshipmen rooms apply anytime a midshipman occupies a room in Bancroft Hall.

   d. No later than the midpoint of each semester, the Deputy Commandant of Midshipmen will convene a board to review accumulated proposals and ideas regarding changes to this manual. This board shall consist of the Deputy Commandant of Midshipmen, the senior Battalion Officer, the Brigade Senior Enlisted Leader, the Brigade Commander, the Regimental Commanders, and the Brigade Sergeant Major. One midshipman at large from each Battalion may be selected to attend. Midshipmen on the board may designate replacement representatives.

This instruction will be in effect for 10 years, unless revised or cancelled in the interim, and will be reissued by the 10-year anniversary date if it is still required, unless it meets one of the exceptions in OPNAVINST 5215.17A, paragraph 9. Otherwise, if the instruction is no longer required, it will be processed for cancellation as soon as the need for cancellation is known following the guidance in OPNAV Manual 5215.1 of May 2016.

1. Athletic Reserve Period is reserved for drill, club, intramural, and varsity sports practices and competitions. All scheduled intramural events take precedence over individual workouts.

2. During Athletic Reserve Period, midshipmen may not use any non-physical fitness related facilities on Naval Support Activity (NSA). Such facilities include but are not limited to: Commissary, Navy Exchange (NEX), gas station, barber shop, Navy Federal Credit Union, and any retail food outlets available at the Naval Station (e.g. Subway and Panda Express).

The primary responsibility of all midshipmen is to develop the habits and skills necessary to be successful officers, which requires a commitment to excellence in all mission areas, including moral, mental, and physical. Liberty is not a break from that commitment. Success, especially in academics and leadership development, requires hard work and diligent preparation beyond the confines of Monday through Friday. Accordingly, although liberty is authorized in the manner that follows, midshipmen must make responsible and thoughtful decisions about how best to utilize liberty time. Midshipmen have an obligation to be prepared for their duties, at all times, which includes getting sufficient rest to recharge.

      (6) Passed the most recent semester (official) PFA. A midshipman who fails the semester (official) PFA will not be eligible for weekends until they pass a subsequent PFA conducted by the Brigade Training Team (BTT). BTT will conduct PFAs at the 6-week and 12-week marks. After passing a BTT PFA, the midshipmen will need to pass a monthly PFA run by their Battalion PMO in order to stay weekend eligible. If the failure was a Body Composition Assessment (BCA) failure, they will be required to pass a BCA as well as the PRT every month. Midshipmen with multiple failures will remain UNSAT until the next official Brigade PFA. Company Officers may still grant one-time exceptions for those with multiple failures.

   b. Midshipmen shall request weekend liberty by signing the weekend list. Midshipmen will not depart on weekend liberty prior to receiving approval from the Company Officer or SEL.

   c. Weekend liberty will be authorized per Table 1-2 below or when the last military obligation is complete, whichever is later, except as noted below in paragraph 7.

(2) When a weekend is awarded by the Commandant, it shall not be deducted from the individual midshipman’s allotted weekends. Weekends granted will be added to the midshipman’s allotted weekends and must be used the following weekend if not on a duty status. If the following weekend is a duty weekend, this granted weekend shall be used during the next non-duty weekend.

(3) In the event that a weekend is accepted or granted on a three-day weekend:

- (a) 1/C and 2/C are authorized overnight liberty all three nights.

- (b) If the holiday falls on a Friday, 3/C and 4/C will be authorized overnight liberty on Friday night and Saturday night.

7. Authority to Grant Additional Liberty:

a. Company Officers and SELs are authorized to grant extensions of normal liberty up to twelve hours (unless such extension would result in missing an academic class). This extension is not intended for use as a reward, but rather to provide flexibility to apply sound Operational Risk Management (ORM) practice and to allow reasonable flexibility for special or unforeseen situations. This authority will not normally be delegated, except in those rare circumstances when the Company Officer or SEL cannot be consulted in a reasonable time and it is prudent to extend liberty for ORM or other emergent purposes as the Battalion Officer or Battalion XO may determine. Company Officers and SELs may not grant additional or uncharged weekend liberty.

b. Class up liberty is defined as granting liberty of the next higher class in accordance with Table 1-1 of paragraph 1.11.3.a. Battalion Officers are authorized to grant class up liberty for exceptional circumstances on a case by case basis by special request chit.

CHAPTER 3: INTERPERSONAL CONDUCT

3.1 GENERAL GUIDANCE

1. The Navy has historically relied upon custom and tradition to define the bounds of acceptable personal relationships among its members and with those outside of the military. As such, the bounds of acceptable interaction can be unclear at times. Midshipmen will conduct themselves with the utmost professionalism in all interpersonal interactions in all settings and at all times. Midshipmen will treat each and every person with dignity and respect.

2. When in doubt, a midshipman should consult their chain of command, a chaplain, or a trusted mentor for further guidance on acceptable interpersonal interactions.

3.2 HAZING

1. Hazing is defined as any conduct whereby a military member or members, regardless of service or rank, without proper authority causes another military member or members, regardless of service or rank, to suffer or be exposed to any activity which is cruel, abusive, humiliating, oppressive, demeaning, or harmful. Soliciting or coercing another to perpetrate any such activity is also considered hazing. Hazing need not involve physical contact among or between military members; it can be verbal or psychological in nature. Actual or implied consent to acts of hazing does not eliminate the culpability of the perpetrator. Hazing, in any form, is prohibited and will not be tolerated.

2. Regulations regarding hazing:
   a. No midshipman may engage in hazing or consent to acts of hazing being committed upon them.
   b. No midshipman, regardless of billet or rank, may condone or ignore hazing if they know or reasonably should have known that hazing may or did occur. Every midshipman has the responsibility to inform appropriate authorities of any hazing incidents or potential hazing incidents.
   c. Reprisal actions against any victim or witness of hazing incidents are strictly prohibited.
   d. Physical abuse or harassment will not be tolerated in any form. Physical contact is allowed with the 4/C only as necessary for training purposes. No amount of physical force is condoned or will be tolerated.
   e. Midshipmen in authority positions over other midshipmen will follow only practices that would be reasonably and lawfully acceptable for use in the Fleet. All practices should be readily defendable with appropriate rationale to the parents of subordinates or other interested constituencies.

3.3 DISCRIMINATION

1. Discrimination is any act or failure to act that is based in whole or part on a person’s race, color, religion, gender, sexual orientation, gender identity or national origin and adversely affects privileges, benefits, dignity, working conditions, or treatment in employee conditions in past or present. Discrimination is prohibited and will not be tolerated.

2. Regulations regarding discrimination:

   a. Submission to such conduct is made either explicitly or implicitly a term or condition of a person’s job, pay, or career.

   b. Submission to or rejection of such conduct by a person is used as a basis for career or employment decisions affecting that person.

   c. Such conduct has the purpose or effect of unreasonably interfering with an individual's performance or creating an intimidating, hostile, or offensive working environment. At the USNA, the working environment refers to every location on and off the Yard, 24 hours a day.

2. Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, passive or indirect actions that create a hostile work environment such as sexually explicit posters, pictures, or screensavers, and other verbal or physical conduct of a sexual nature.

Although it is most commonly applied to officer-enlisted relationships, fraternization also includes improper relationships and social interactions between officer members as well as between enlisted members, regardless of the service affiliation of the other officer or enlisted member, including members of foreign military services.
2. Circumstances prejudicial to good order and discipline are those that call into question a senior’s objectivity, result in actual or apparent preferential treatment, undermine the authority of a senior, or compromise the chain of command.

3. Midshipmen on summer training will adhere to the specific fraternization policies of their assigned units in addition to all USNA policies.

4. Collective terms associated with fraternization apply equally to personnel of foreign military services.
