1. Purpose. To govern the process for selecting midshipmen to participate in the Service Academy Exchange Program (SAEP).

2. General. The SAEP was established to promote the exchange of professional, academic, and social experiences between the United States Naval Academy, the United States Military Academy (USMA), the United States Air Force Academy (USAF), and the United States Coast Guard Academy (USCGA). The spirit of camaraderie and understanding gained through close personal experience, can contribute greatly, now and in the future, to the understanding and good relations between the service academies and the four services.

3. Information. During the Academic Year 2018 Fall semester, a select number of midshipmen from the Class of 2019 will have the opportunity to participate in a Midshipmen Exchange or Immersion Program. Information briefs will be scheduled for these programs in February 2017. Criteria for selection are:

   a. Demonstrated superior Aptitude for Commission (grade of A for previous two semesters). (Waiverable)

   b. An excellent conduct record (grade of A for previous two semesters). (Waiverable)

   c. Superior athletic performance (grade of A on previous two PRTs). (Waiverable)

   d. A CQPR of at least a 2.7.

   e. A favorable endorsement by the chain of command.
f. Approval of their departmental senior academic adviser.

4. **Procedure**

   a. **Service Academy Exchange Program (SAEP) Participation.**

      (1) Interested members of the Class of 2019 for the Academic Year Fall 2018 exchange should complete the application located in the MIDS module under “USNA programs.”

      (2) Company and Battalion Officers will be notified via email to submit endorsements using the MIDS module under “USNA programs.”

      (3) Each midshipman must complete the academic planning form attached as enclosure (3) to obtain the academic adviser’s concurrence regarding the feasibility of an exchange in the targeted semester for the midshipman’s major.

      (4) The Deputy Director for Academic Advising (DDAA) will review each applicant’s academic planning form to ensure that the midshipman will remain on target for graduation.

      (5) Midshipmen may not change their majors while on exchange nor should they change their majors to facilitate exchange.

      (6) Candidates will be selected from the pool of applicants for an interview. The Midshipmen Evaluation Review Board (MERB) will (at a minimum) consist of the Commandant’s SAEP Coordinator and two midshipmen who have previously completed a service academy exchange.

      (7) After selection, the midshipman must work with his/her academic adviser to develop a specific academic program that will bring back a minimum of 15 USNA academic credits and keep the midshipman on track for graduation.

      (8) The number of billets available will be determined each semester through coordination with sister academies. In general, exchange is done as a “one for one” swap with USMA, USCGA, and USAFA.

      (9) The SAEP Coordinator will submit a list of primary and alternate candidates for final approval by the Commandant.

      (10) All selectees will attend a briefing by the Associate Dean for Academic Affairs and the PE Marking Officer on the administration of the exchange program.

EXPECTATIONS FOR THE MIDSHIPMEN EXCHANGE (IMMERSION) PROGRAM

“To whom much is given, much is expected.” – Franklin Roosevelt

3. Removal from the Program

   b. A midshipman who may potentially separate from the Naval Academy before executing the exchange orders for any reason (resignation, conduct, etc.) will notify the Midshipmen Exchange Coordinator immediately of his or her possible change in status so that an alternate may be identified as quickly as possible.

   c. The Commandant may elect to recall a midshipman to the Naval Academy in response to egregious acts of misconduct or dishonorable behavior in addition to any punishments imposed by the host academy.

4. After-Action Reports. Considering the collective and individual developmental objectives of the program, midshipmen participating in the exchange should be continuously reflecting upon their experiences.
