

### Economic Honors Application

By filling out this form you are officially requesting entrance into the Economics Honors Program. (Change from FEC to FECH major.) Also, unless you request otherwise, your advisor will be changed to the Economics Department Honors advisor.

|                                      |                               |   |   |
|--------------------------------------|-------------------------------|---|---|
| I have discussed this decision with: | my current advisor            | Y | N |
|                                      | the department honors advisor | Y | N |

Comments:

Note that according to the Majors Program ACDEANISNT 5420.4C, to graduate with Honors in addition to the standards required for all degrees at USNA, midshipmen must have:

- 1) a minimum CQPR of 3.0 in all courses required for the core academic program plus EN200 and EM300 or their equivalents,
- 2) a minimum CQPR of 3.5 in all courses that comprise the majors portion of the honors major, and
- 3) No grade of "D" or "F" on the final transcript in any academic or professional course.

I would like to enter the Honors Program and I understand that in order to graduate with Honors at the Naval Academy, the following is necessary:

- (a) CQPR of 3.00
- (b) FE CQPR of 3.5
- (c) CQPR in professional courses of 2.5
- (d) No D or F grades on the final transcript
- (e) No more than one C (final grade) in FEC courses
