APRIL SCHOLARSHIP

The APRIL Scholarship is available to all full-time (career or career-conditional) civilian employees of the U. S. Naval Academy working in Annapolis, Maryland. **Tenant activity employees and contract/NAF/NAAA employees are prohibited from participation.** Dependent or other family members are also not eligible. Scholarship funds are provided for courses or training that are not available through programs administered either by the USNA or other Federal training programs, and therefore, must be for study in a field other than that in which you are currently employed. Applicants must have been accepted at an accredited college, university, technical or trade school, or comparable institution and be able to certify that awarded scholarship funds were used only for financial assistance of the applied for training program.

A combination of financial need and demonstrated potential or merit will be the major criteria used in selecting recipients.

The decision of the Scholarship Committee is final. There are no appeal rights conferred to the applicants.

**2020 Applications are due to the HRO (ventresc@usna.edu) NLT 25 November 2020!**

APPLICATION REQUIREMENTS

- Completed APRIL Scholarship Application (application link on HRO webpage).
- Proof of acceptance at an accredited college, university, trade school or similar institution.
- A certification statement that funds will only be used for courses or training identified in the individual’s APRIL Scholarship application.
- Statement of Understanding that the applicant must agree to maintain satisfactory academic progress towards his/her objective. Recipients who fall below academic standards, which will be promulgated to successful applicants at the time of receipt of financial aid, will receive warning of possible suspension of funding. If grade point average is not raised to acceptable levels by the end of the semester, financial aid will be suspended.
- A recommendation by the applicant’s immediate supervisor defining the career development potential of the applicant.
