Summary:

The USNA Marathon Team participated and volunteered in the Annapolis Strider's B&A Trail Marathon on March 31, 2019. The full and half marathons began at 0730 at the Severna Park High School. Nineteen Midshipmen participated in the half and 18 Midshipmen participated in the full marathon. Another 13 midshipmen could be seen volunteering at the race and having fun while cheering on their teammates. Five Runners placed in their age group during the half marathon, including Jack Huntress and Michael Wegner who came in 1st and 3rd Overall as well. Sophia Schramm completed her first half marathon. During the full, 6 runners placed in their age group. The dream team of Benjamin Jones, Bert Fletcher, and Victor Carillo swept the 15-19 age group, while Emma Scott managed to finished her first marathon, place in her age group, qualify for Boston and come in second female overall. Six runners completed their first marathons and five ran a personal best. Also of note, Justus Grammer not only completed his first full marathon but also ran the entire way with the Marine Corps Flag. OORAH JUSTUS! While at the race, several Marathon team alumni were spotted and the runners were able to meet up their predecessors, who continue to run to this day.
