From: Midshipmen Personnel Officer, U. S. Naval Academy
To: USNA Candidate, Class of 2027

Subj: SERVICEMEN'S GROUP LIFE INSURANCE (SGLI)

1. As a Midshipman attached to the Naval Academy, you will be automatically covered by SGLV 8286 unless you choose not to be. You are required to complete the SGLV 8286, whether you desire coverage or not. Even if you are currently an enlisted Sailor/Marine, you will be required to complete a new form as a Midshipman.
2. All military personnel are automatically insured for \$500,000 upon entry, at a cost of \$31.00 per month. You may elect a lesser amount of coverage in increments of \$50,000. The cost is approximately \$3.00 per \$50,000. If you do not desire the SGLI coverage, you will still complete the form, but will indicate that you do not want insurance. Should you elect coverage; the appropriate amount will be automatically deducted from your pay. I recommend you take a few minutes and discuss with your family the amount of insurance needed and who to list as beneficiary(ies).
3. Upon completion of Plebe Summer and issuance of your USNA common access card (CAC) you will be required to elect and verify status annually online.
