

Dear Parents and Family Members of the USNA Class of 2030,

On behalf of the U.S. Naval Academy Alumni Association and Foundation, welcome to the Naval Academy family. Your son or daughter has earned an extraordinary opportunity, one that will shape their character, leadership, and future service. As you begin this journey alongside them, we want you to feel informed, connected, and supported every step of the way through our events, programs and your local parent club.

The USNA Alumni Association invites all Class of 2030 parents to the Plebe Parent Mixer on Thursday, August 6, 2026 from 4:00 p.m. to 6:00 p.m. at the Fluegel Alumni Center. This is a great chance for you to meet and mingle with other Class of 2030 parents. Beverages and light snacks will be served.

Register for the Plebe Parent Mixer (and become a Parent Member)

1. Create your profile by setting up a username and password in our system at usna.com/ptr.
(This links your record to your midshipman's USNA Admissions record.)

Once your profile is approved (**please allow up to 24 hours**), return to the Parent Dashboard Checklist at usna.com/ptr to register for the Plebe Parent Mixer. We also encourage you to join as a Parent Member of the Alumni Association so that you're always connected during your son or daughter's four-year journey on the Yard. To join go to usna.com/membership.

The USNA Alumni Association and Foundation is honored to welcome you to our family. Your son or daughter will soon join the Brigade of Midshipmen—and, ultimately, the *Long Blue Line* of more than 70,000 alumni who stand ready to support the Class of 2030 throughout their four years at USNA and through a lifetime of service. For our proud Naval Academy parents and families, we look forward to supporting you as you support your midshipman. Bravo Zulu, and welcome aboard!

Very Respectfully,

A handwritten signature in black ink, appearing to read "TJ Grady", with a long horizontal flourish extending to the right.
