

## 2016 Trident Scholar Prize

On May 26, 2016, at the US Naval Academy Prizes and Awards Ceremony, MIDN 1/C Thomas J. Wester of the 14th Company was awarded the Class of 1979 Trident Scholar Prize. This award is presented to the Trident Scholar with the best Trident project of the year. MIDN 1/C Wester's Trident project was entitled "Mathematical Modeling: Immune System Dynamics in the Presence of Cancer and Immunodeficiency in vivo" and his adviser was Associate Professor Sonia M. Garcia of the Mathematics Department.

Dean Andrew Phillips, MIDN 1/C Thomas Wester, and LCDR Sean Cate, USN (Ret.), President of the Class of 1979, at the Prizes and Awards Ceremony.
