DATA REQUIRED BY THE PRIVACY ACT OF 1974
(5 U. S. C. 552A)

PART A GENERAL

The Marine Corps uses a variety of forms in administering matters related to the individual Marine. Forms are necessary for enlistment and reenlistment, evaluating performance, applying for training and assignments, granting leave, disciplinary action, administering pay, and other purposes. In some instances, these forms involve the collection of personal information from the individual Marine. Information such as home address and telephone number, names and other information on dependents, preference for duty, address on leave, and the individual’s Social Security Number are illustrative of the information asked for on forms.

The Privacy Act of 1974 requires that you be informed of the authority, purposes, uses, and effects of not providing information when it is requested from you. In order to eliminate the need for issuing an individual statement each time information is requested from you about matters such as those described, this statement serves as a one-time Privacy Act Statement which is intended to satisfy the requirements of the Privacy Act when forms related to your personnel and pay records are used. If you desire more information about a specific form when it is used, your commanding officer will provide such information upon request.

Pursuant to the Computer Matching and Privacy Protection Act of 1988 (P.L. 100-503), information furnished may or will be subject to verification by computer matching (internally or with another specific agency). The match may be necessary to verify accuracy of data, and to uncover waste, fraud, or abuse in Federal Programs.
