IT360 Anonymous Feedback for Credit!

Due: Monday, February 22, 2010, beginning of class

Please fill out the survey on the following pages. Your responses are very important to us and will help us improve the course for you, so please allow a few minutes to think about your answers.

To encourage and reward your participation, if you complete this survey we will give extra 5 out of 20 points for a lab. However, since this is anonymous, you will turn in this sheet separately from your actual comments: just tear them apart and place them in the appropriate piles on the due date.

I filled out the survey. Please give me the points!
