IT350 Web & Internet Programming
6-Week Exam
28 Sep 2005

Name ______________________________             Alpha ________________________

Section:  2001  2002  6001

Note:
1. For this exam you may use your textbook and any notes you have brought. However, you may not share any of these materials with anyone else, and you must do all work yourself.
2. No calculators are permitted.
3. To receive partial credit, show all work.
4. If asked for a HTML snippet/fragment, just write the relevant part – no need to provide the prelude etc.

WORK QUICKLY AND DO THE EASY PROBLEMS FIRST!
