New Lab Deadline Policy

• New System:
  • Due at start of lab (usually) (print/fill out/staple beforehand!)
  • No “late days”
  • 1 business day late: -10% (by start of class, or 0900 if no class)
  • 2 business days late: -25% (by start of class, or 0900 if no class)
  • >2 days late: not accepted
  • Deadline on calendar change to reflect new deadline

• Don’t like this plan?
  – Can “opt out” and keep original system / late days (including due date on day before next lab)
  – To opt out, email instructor before COB Wed Feb 26
  – If using a “late day”, email instructor when lab is due
