SI 232 Anonymous Feedback for Credit!

Due: Wednesday, April 5, 2006, beginning of class

Please fill out the survey on the following pages. Your responses are very important to me and will help me improve the course for you, so please allow a few minutes to think about your answers.

To encourage and reward your participation, this survey will be worth 10 extra points to be applied to your lowest scoring homework. However, since this is anonymous, you will turn in this sheet separately from your actual comments: just tear them apart and place them in the appropriate piles on Wednesday.

I filled out the survey. Please gimme them points!
