## 1 Project Assignment 5 Due 02/28/2018

Please turn in on a separate sheet.

1. For the project you chose, you will write up solutions to some of the "Related Problems." Again, remember that typing the answers will save time in the long run. Some guidelines,
  - The problem statement should be present in your answer. It should interweave with your answer.
  - You should use complete sentences, especially with your mathematics. Equations can (and should) end with periods and commas.
  - See the attached page for an example.

Answer the following problems:

**Allee Effect:** # 1,2.

**Bungee Jumping:** # 1,2,3.

**Tacoma Narrows:** # 1.

**Murder at the Mayfair:** #1, #5.
